Wheeling, Sep. 5/55

Rev. and dear Fr. Sorin,

A lady of this place whose husband has abandoned her + who has obtained a divorce from him, wishes to place two orphan boys in apprenticeship at the Lake if it accords with your rules. She would expect to make the deposit required, only leaving the children, as is done with orphans, entirely to you

care. Even for this she
would ask a division,
that is, the delay of a
few months for a part.
However, I told her if
there is not other difficulty
that would not prevent
the execution of her wishes.
Please reply without de-
lay, as she will send the
Credence with charge of
Mrs. Keating

+ Richard Vincent,
[Whelan]

Bp. of Wheeling
