

Wardens September 4<sup>th</sup> 1855

Rev. Dear Sir,

As the services of an agent are more  
and more required of your church than as of old,  
I place with you for the present, the Rev. Mr. Cook,  
the wife, I am sure, he is a good and agreeable  
what with you. ~~what with you~~ he will be  
your agent and on the shop you will treat  
as such.

Most respectfully yours

Bernard O'Reilly

2<sup>nd</sup> Bishop of Hartford

It may be well to have Mr. Cook attend  
Hampden, on the next
