Very Res & Dear Father

Mr. James Byrne, Teacher
of our Catholic School, wishes me to write
to you, in his behalf. He would like to retire
to some Catholic Institution, in which he could
make himself useful, by teaching or keeping
Books &c. Mr. B. may be near 50 - good appear-
ance - healthy - gentlemanly & amiable &c.
Writes a beautiful hand - is familiar with
Arithmetic, English Grammar &c &c. He has
an excellent English or American accent,
without any brogue. He would require nothing
for his services - he would give to the House the
sum of \$ 500 now in my hands: all he wants
is a permanent home & the chance of sanctifying
his soul. I have known Mr. B. for several & have
always found him to be an innocent - pious man.

Yr. humble serv^t
in Jes. Xt.
