Rev. Edward Davis

Dear Sir,

I have been a little too slow in acknowledging the receipt of your favor. One reason is that my Lawyer was not at home, another reason was that I was expecting money every day. It has not come to hand yet. It appears that the Mortgage was defective. It should be signed by those who form the faculty. At least that has been the advice of my Lawyer. Will you please see to it. I send you a Mortgage which you will sign and record. I was sorry to hear of the death of one of your priests. I expect two or three from Toldeo will visit you next week or rather take up their abode with you. Please give my respects to Rev. Mr. Gibson, Rev. Mr. Harty and all the folks you will have money from me before the end of this month (God willing)

Yours with sincere respects  
Philip Lopez
