

Toledo. Jan. 5. 1855.

Very Rev. E. Loring

Dear Sir

I am now in Toledo to settle my temporal affairs. I have not been in Toledo for nearly two months. I am now stationed at St Thomas Church Cincinnati so the money market is so stringent and hardly without capital or credit you know how difficult it will be for me to pay my demands. I then invite you on business to Toledo. I want to deed you property at a fair price for my inattention to you. I will be in Toledo until the 16th of Jan. My respects to all the Rev. Fathers and boys of the institution.

Your most obedt servant in Christ
Philip Foley
