Written by Bp. O'Regan Third Bp. of Chicago

The Cathedral, Chicago Illinois

Feb. 26. 1855-

To Very Rev<sup>d</sup> Father Sorin,

Very Rev<sup>d</sup> dear Sir,

Some young students, whose name is Racker, have left the Ministry of St. Mary, St. Chicago, without paying, or settling their accounts in any way. When they found that we insisted on immediate payment, they left, owing the University about \$400.

They are from Wisconsin and have a brother a Priest. He is considered a smart man, in the American sense.

I am told they are for going to your Ministry. I trust such parties will not be received until they are just to the Institution, which they last troubled.

Wishing you and all of your Community, every happiness I am Dear Sir, very truly yours in Christ
