Very Rev. & Sov. Gen.

Very Rev. and Very Dear Sir

At the instance of the Rev. Father Moran, I address you in his behalf. Father M. says, that he is the Priest who, a few years ago, you expressed a wish, would join your Holy Society and should he conclude to do so, you would send him to France to

He is now anxious to unite himself with that Society of which you are the respectable Head. Father M. has been in this Diocese since the 1<sup>st</sup> of last December, and has conducted himself in a very clerical manner with sentiments of the most ardent wishes for your Apostolical Cause and sincere esteem for yourself personally.

I am yours most devotedly
