Very Dear Sir

I send
you the amount for
Dr - Sherry and hope
you will oblige him to
pay his debts before
delivering it -

Mr W Dillon called
yesterday and delivered
your note. It is such
I think, to send to
be negotiated here but
I will be much obliged
if you could cash it for me.

I need not assure you that
I have many demands for it.
In any case I shall expect
that unit by the 1st of October
if you can possibly procure it.

I have shown your letter
regarding the schools to some
of the clergy and they are
satisfied with the terms.

Hoping that you can
be satisfied with the terms.

Yours sincerely
James Dugan
