Rev. E. Sorn Superior &c
V. Rev. & dear Sir

We are entirely satisfied with the changes you have thought it necessary to make as announced in yr. esteemed favor of 26th Ult.

I have sent to Rev. Father Sheridan that portion of yr. letter which related to the Schagls at St. Pauls, desiring him to give his views & intentions to yr. Rev. by letter. I trust he will do so, and that a fair and clear understanding will be arrived at.

Thanking you for your kind
congratulations and begging
a share in yr. prayers and
H. Sacrifices

I am very respdy
Yours truly
In Christ
