

Louisville, June 17, '66

Very Rev. Dear Sir:

I regret to say that it is simply impossible for me to be with you this year for your interesting exhibition, however much I would wish it. Besides having confined to the Infirmary for four weeks with severe indisposition, I have just received the Apostolic Letter, appointing me to Baltimore where will require more attention than my health will admit. Ask prayers of good Sisters for whom my special regards. Truly
Yrs M. J. Hatton
