

Buffalo July 17th 1866

My dear L. D. S. Sir

Returning home last night, I found your "Ave Maria" of July 7. It had been kept and read by others. I only knew of its existence by reading an article in our last paper. Our article is badly printed. Gross is well done. I noticed but one fault. It is on the first page: "In the next chapter the 8 of St. John's" - now it is the 10th of St. John's. It is hardly worth while to notice the error which may easily be detected.

Please to pray for.

Bishop
Timothy

Yrs. affectionately
John B. P. of Buffalo

Thanks to God my suffering from want of sleep, have left me.
