Translation by Fr. H. Glueckert.

In reply to your letter dated June 16th. In addition to what I wrote on Jan. 27th I express to you first how much I enjoyed reading of the celebration held and the erection of the statue of the Blessed Virgin.

Regarding the profession of your religious a matter of this nature may be handled in the General Chapter soon to be held in France.

Meanwhile I pray God to bestow all favors on you in abundance.

Rome at the palace of the Congr. of the Propagation of the Faith July 31, 1866
