I can only take your request
to the Gen. Conv. 16 months
Nashville, March 12th/60

Very Obedt. Servt.

I am exceedingly
anxious to provide for the necessities
of our children by having good
Catholic Schools in this diocese. My
people are able and willing to fur-
nish the necessary means. Could
I obtain from you two good Brothers
who would take charge of a boys
School in this city to make a Commence-
ment. I would pledge myself to
comply with all requirements. as
I know terms are quite moderate.
I was much pleased with the good
effected by your brothers in Janesville
Ohio. I have made application no
where else and will not until I hear from
you.

With great respect

+ James Whelan
Bishop of Nashville.
