Cornington N.Y.

Very Rev. Father.

Your Reverence

I would like to know what your wishes are, in respect to our Bros. here. Bro. Sweeney will ask you to go home. I will cost him about \$5.00. He will have to get a new suit of clothes, which will cost \$3. He has earned at night school about \$2.50. Bro. Maximilian wishes to go home, and altho he is the best dressed Bro. in the house, he will not go unless I buy him a new pants, vest and trunk. He has earned \$6. Extra and there is \$7 due him which he will never get. I am sure the Bishop will not like the Bros. to remain in Cornington during vacation.

I think the majority of them
would prefer to stay at St
Joseph's College.

I would like to know
what your desires are in these matters.
We are all well. I would advise
you to bring Bro. Angelus home
during Vacation. He would like to
stay at the Rectorate.

Yours in J. C.

Bro. Remijne
