

## St. Edward's Academy.

Austin, Texas, Nov. 17, 1884.

Very Rev. &amp; Dear Father General:

I just received your very kind letter for which please receive my sincere thanks.

The new addition 24 x 60 will be ready by next week, if the weather is favorable.

Thus far we had the very finest weather. As to the money, we need it very badly at present. I hope the outlay will prove a benefit in future to the Congregation.

Rev. Fr. P. Lauth is getting over his fever, but Rev. Fr. John is with us at the Academy and is very sick yet.

Rev. Fr. O'Hanlon left last Friday. He does not see the harm he did here, but we feel it, and will feel it for some time.

Rev. Fr. Hurth arrived and does very well.

Assuring You V. Rev. & Dear Father of our prayers, I remain Your Reverence

humble & ob't servant

P. G. Francisus, C. S. C.
