Very Rev. & Dear Father

Your favor of the 3^d inst. announcing that the Ceremony which was to take place on the 12th had been indefinitely postponed, came to hand in time. I hope when it shall take place I will be able to attend it. In going to or in coming back from the Council at Baltimore I will try to pay you a visit and see the much admired & renowned place of the far famed University of Notre Dame.

With the best wishes and begging to be remembered in your prayers, I remain, Yours sincerely
