Very Rev. Father

I see by the Times
of Jacksonville Florida, which
I send to your address that they
want a Catholic Christian College
at Jacksonville and I therefore most
respectfully call your attention to fact
now I have 80 acres of land
in about 2 1/2 miles of that City
where I will dispose at a ~~low~~
figure to you, should you wish
to build such a College for
them - you might consult the
Bishop of Florida about the same.
It is in Sec. 32, Township 2, Range
2.

Rev. Father Cappel says I ought
to send to Father Granger a statement
of a cure by the Good God by the
application of the Water of Lourdes
at the close of a novena for
for the intercession of the Blessed
Virgin for my cure - These are the
facts About the middle of Septem-
ber last I lost the use of my
right hand, arm and leg and
speak louder than a whisper, and
my strength was nearly gone - Father
Cappel was sent for and gave me
Communion - soon after which my daughter
gave me a few drops of the Blessed water
and I immediately recover my strength
and went to the Church to make use
of the thanks given for the recovery of
my faculties - Since that time I have
remained in good health, thank be to
God and the Blessed Virgin -
Pray for me dear father.
