Very Rev. E. Sinn. C. S. C.
Very Rev & dear Father.

Learning that
you have a kind of
Retreat for old men under
your charge - I write to
ask of you a great favor -

In Dakota, in Fr Rosen's
Parish I have a brother
now over fifty years of
age, who. Fr Rosen writes
me is quite shattered in
health in consequence of
intemperate habits con -

traveller in that respect -
He is a gentleman by
birth and education,
and as Fr Rosen will
assure you with no vice
under the sun but that
of intemperance,

This brother has
said to Fr Rosen that he
is willing to enter any
institution or place of
retirement and there
endeavor to amend his
life - If you can provide
him with such retreat &
beg of your dear Father to
do this charitable act for
his poor soul's sake -

As Fr Rosen says it
would not do for him to
come home until he is
reformed - I respectfully

refer you dear Father to
Fr Rosen for particulars,
Fr Torhey I think & Burns
my brother - I await with
great hope a favorable
answer to my petition -
Please remember me
to Fr Torhey,

Your Obedt Servt in X^{to}
