VICARIATE APOSTOLIC OF IDAHO.

Boise City, Idaho, Sep. 15, 1885.

Very Rev. & Dear Sir,
Most Dear Game,
Ind.

Very Rev. and Dear Father: - Your favor of Aug. 16 at hand. The expression "this year" gives me some encouragement for next year. - I know the ability of the Sisters of the Holy Cross as teachers, and being so near to Utah, where they so admirably succeed, it would be better both for the Community and for the Vicariate, if they would establish schools in Idaho, at least in the South-eastern part. On account of my taking possession of the Vicariate only in the latter part of June, I have not been able to make any arrangements for the building of schools for this term, I was compelled to postpone until the next academic year.

Believing, a moment.

I remain
Yours per J. J. Cordeiro
