Very Rev. E. Soria, C. M. C.

Dear Father General,

I take pleasure in introducing Dr. W. D. Hamilton of Columbus. I spoke of him in my letter to you some time ago. Though not a Catholic himself, he is very anxious to have the Sisters of the Holy Cross in charge of the new hospital here. He goes to Notre Dame, hoping that he will be able to do something to effect this purpose.

Yours sincerely in X^y
John A. Dattersman,
Bishop of Columbus.
