Very Rev. Father General

Rev. and dear Father

I feel almost
ashamed to offer you my
congratulations on your safe
return home at this late time
of the year. I hope you will
not think that I was forgetful
of you no dear Father you are
never forgotten in my prayers.
and it is want of time that
prevented me from offering you
my good wishes sooner. I am
very glad you are home safe

at dear Notre Dame again and
earnestly pray that my
long wished for joy will be
realized next vacation and that
I will see you and all dear
old friends once again. I must
say again that I am glad you
are home and sincerely hope you
will spend many happy years
with your loving children.
is the constant prayer of -

Your grateful and devoted Child
Sr M. Bernarda
