Very Rev. E. Loin C.S.C.,
Notre Dame Ind.

Rev Dear Sir: - I am writing a "Sketch of Catholicity in Davies Co." to be published before or about Christmas, most likely in a double number of the "Catholic Record". I find among the old people so many traditions about you and so many incidents connected with your time here that I am anxious to ~~say~~ make more than a passing mention of you. I send you herewith a copy of one reference to you which I got from Mr Jno Breen of Loggootie. Is it materially correct? I think there is nothing in it that you would object to if printed? Perhaps you recall some other incidents connected with your stay at old St Peters and would not be dis inclined to give one or more of them?

On the records at St. Peters is one name
that is now illegible. It looks some-
what like this "Morany". There are
seven baptismal entries made
just after yours and signed by the
above. Do you know who it was?

"Penett," "Courvaull" are there about
the same time the fall of 1843 but their
names are plainly spelled.

I had the pleasure of being at Notre
Dame on the occasion of your celebration
last August one year and made
the report of proceedings for the Catho-
lic Record.

Very Respectfully
Jno D Kelly
