COLLEGE OF THE CITY OF NEW YORK.

SECRETARY,
PROF. FRANKLYN W. HOOPER.
BROOKLYN INSTITUTE.

Notre Dame Ind. Dec. 26th 1890

Very Res & Dear Father General!

Having succeeded
in taking a good photograph of the Roman Altar
in the Church and knowing your great love
for this altar, you will please permit me
to present to you the first fruits of my effort
in producing a good representation of that
work of art. I send you therefore two copies
of the picture one darker than the other.

Hoping you will be pleased with
them

I remain yours in X^{ps}

R. M. Kirschese
