Rev. Fr. Doin

Dear Father

We are so in
love with - that
form of a covered
altar in your
church that we
desire one similar
for our modest
little chapel.

Would you dear

father allow us
to have it copied
for that purpose?

We hope by awaiting
your answer which
if favorable will
be followed by the
further request
that you would
show courtesy to
Mr. Haynes our
architect whom
we would commission
to examine this
work of art.

and attend to the
execution of our
affair.

Begging
Your blessing
Dear Father

I am

Your humble

Servant

Pr. Vincentia Morotte
Sup. of Vis.
