

Cathedral of Los Angeles
18th Jan. 1892.

Very Rev. E. Sorin-

Notre Dame, Indiana.

Dear and Very Rev. Sir:—

Some time ago
I had the pleasure of sending
you, in accordance with the
express wish of the illustrious
decedent, the pectoral cross and
pastoral ring of the lamented
Bishop Mt. Rev. Eugene O'Connell.
Thus far I have received no
acknowledgment of their arri-
val at their destination. I
hope you will oblige me by
notifying me whether you
have received them or not,
in order that, in the latter
case, I may take steps to
discover what disposal
has been made of them.

The package was sent by
Wells, Fargo & Co's Express, on
the 24th December, the
package being valued at
\$50.

Hoping that by the time
you receive this you will
have also received the
memorials of the deceased
prelate, I have the
honor to be, Dear and
Very Rev. Sir

Yours sincerely in Christ
& Maria, Bishop
of Monterey and Los Angeles
