Granger (C.S.C.), (Father) &(lexis)
(Indianapolis, Indiana?)

to (Father Edward Sorin)
(Notre Dame, Indiana)

No. 7, bundle #19, Archives of Notre Dame.

Father Granger requests a list of studies for novices, so that he may be consistent in the matter he teaches ~~///of~~ them. He gives short summary of financial affairs at the novitiate. Later he will send Father Sorin a inventory of apples. A certain elder member does not appear disposed to go to Notre Dame. He requests a certain book from Father Cointet. A professor of novices ~~///the/plac/~~ would be more useful in the place of Brother Joseph.
