MY MASS BOOK

by Sister Mary

¶ This is a pictorial prayer book for children of first, second, and third grades. It is artistically beautiful and designed in every detail to attract the interest and hold the attention. ¶ It contains prayers, taken from the Mass prayers and from the Scriptures, paraphrased in simple language suited to the child mind. It is printed in large type, of the size and clarity usual to primers. ¶ Built on sound pedagogical principles, the work has been compiled through the combined efforts of primary teachers, psychologists, literary critics, religion teachers and authorities on liturgy. ¶ A very especial feature is the beautiful colored illustrations: 24 are religious pictures, reproductions of famous paintings; 38 illustrate every step of the celebration of the Mass. Price 88 cents.
