Women's Club Directory

1918-1935

PUBLISHED BY THE ALUMNI ASSOCIATION

NOTE: This Directory is not offered as an example of perfection, rather an early step toward it. It is compiled in the hope of cementing more closely, and recording more accurately, that gallant band of women who have become so valued a part of the University of Notre Dame since the institution of its Summer Session in 1918. Additions, revisions, and suggestions, are requested. Address the Alumni Secretary, Box 81, Notre Dame, Indiana.

Water Power

From a small water fall, a Fitz Water Wheel can develop enough power to pump water to all of your buildings without any expense for operation. With larger streams and higher falls electric lights and power can be obtained. No gasoline to buy, no engine to get out of order, and no power bills to pay. Write for information.

Notre Dame holds in its heart a special appreciation and welcome for the Sisters, whose lives, like the life of Her to Whom the University has been dedicated, are devoted to God.

THE AVE MARIA

Catholic Home Weekly

Established 1865

Father Sorin, founder of the University of Notre Dame, also established a magazine to carry the ideals of the Blessed Mother from Our Lady's campus into the busy world. That magazine, The Ave Maria, is in existence today, known the world over among Catholic educators.

The Alumni of Notre Dame, both men and women, have always considered The Ave Maria in a very special way their magazine. Like Notre Dame itself, this popular Catholic weekly has a character all its own the like of which it is difficult to find duplicated anywhere.

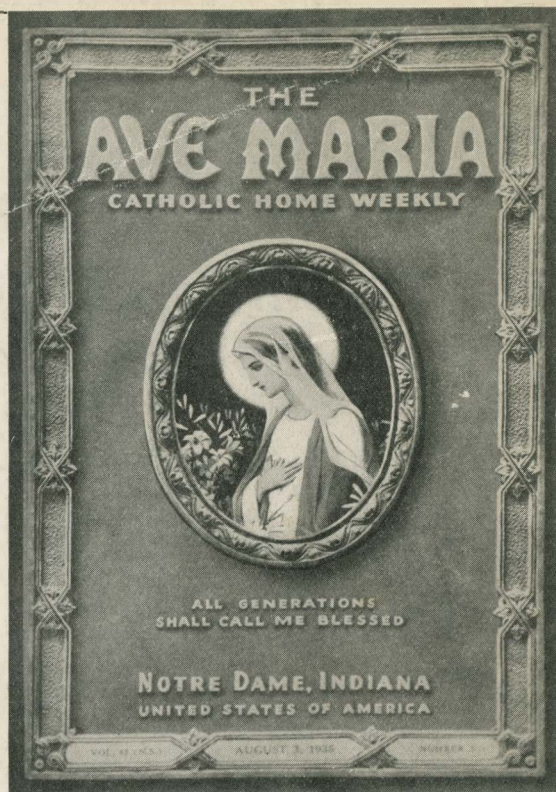

Its pages reflect the best Catholic thought of the day, besides presenting a variety of fiction which is certain to suit the most varied tastes. In addition there is the Weekly Page, a unique presentation of the Editor's own views on persons and things; Bits out of Life, a series of flash-light observations from out-of-the-way corners of life; Notes and Remarks, up-to-date comments on the day's news; discriminating Book Reviews, and snap-shot Book Items; and a children's section which is second to none.

For the small sum of \$3.00 The Ave Maria will bring to you from Notre Dame fifty-two issues of the best Catholic literature of the day—the same amount of literature in fact which would cost in the neighborhood of \$20.00 if published in book form and sold at regular book-store prices.

THE AVE MARIA PRESS PUBLICATIONS

The publishers of The Ave Maria have not been content to bring before its readers a treasury of Catholic literature in magazine form. From the material of almost a century of publishing they have selected the cream for presentation in book and pamphlet form for the Catholic home and the Catholic school library. Each of the books listed below comes from an author of established reputation. They are books with a pedigree.
