ST. MARY'S ACADEMY,

(NOTRE DAME P. O., IND.)

About one mile west of the College, is beautifully located on the banks of the river St. Joseph, and is everything that could be desired as a locality for a Female Academy. It is under the charge of the "Sisters of the Holy Cross." All the branches taught in the best Female Institutions of the country are taught here. The buildings are extensive, and additions and improvements are daily progressing. For further particulars concerning this Institution and its various Departments, the public are referred to the Catalogue of St. Mary's Academy for 1860-1.
