Commencement Address,  
by Mortimer J. Adler,  
Professor of Philosophy of Law  
University of Chicago

National Anthem

Orchestra and Audience

Oh, say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming,  
Whose broad stripes and bright stars, through the perilous fight,  
O'er the ramparts we watched, were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there,

Chorus

Oh, say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

Recessional by the University Orchestra
