N. B. Except where the actual time of a course is noted, the hour in the hour column indicates the half hour preceding the start of the class. If an hour is listed in the day column, it indicates the class hour when the class will end (i.e. TT 12).

PRE - REGISTRATION SCHEDULE

THE CLASSIFICATIONS BELOW REFER TO YOUR STATUS NEXT FEBRUARY

The Dean of each college and the various Department Heads or Schedule Advisors will post notices of the order and time at which they wish students to appear during the day. It is your responsibility to report to your advisor at the correct hour, day, and place.

CHECK COLLEGE BULLETIN BOARDS FOR FURTHER INFORMATION
CONCERNING THE DAYS ALLOTTED TO EACH CLASS.

DO NOT LOSE THIS BOOK

IT WILL NOT BE REPLACED

YOU WILL NEED IT: A. TO PRE-REGISTER B. AT THE DRILL HALL IN JANUARY
C. TO CHECK CLASS ROOM ASSIGNMENTS. (NO OTHER NOTICE OF YOUR SCHEDULE OR ROOM AND BUILDING ASSIGNMENTS WILL BE GIVEN YOU.) (KEEP IT UNTIL DROP AND ADD PERIOD ENDS.)

STEPS IN PRE - REGISTRATION

1. A. Plan a preliminary program using the Trial Schedule Sheet. If you are in a two-semester course, you must remain in the same section for the second semester: FRESHMEN ARE NOT TO PRE-PLAN THEIR PROGRAM.
B. In planning your program please note the following:
 - (1) Undergraduates must have either two classes in the afternoon and one on Saturday or vice versa unless the Dean of your college specifies a stricter rule.
 - (2) Note the college reservation when choosing a section.
 - (3) You are responsible for selecting a correct program of courses which fulfills the requirements of your college and your major department. The final choice of sections rests with your Schedule Advisor.
2. Report to your Schedule Advisor at the time designated by your Dean or at the time of your appointment with your Department Head. (Check notices posted on your college bulletin boards. If an hour is not designated for you, you should make an appointment on appointment sheets posted outside departmental offices. This must be done prior to the day you wish to see your Advisor to Pre-Register.)
3. Report to the office of your Dean on the same day you are to visit your Schedule Advisor and pick up your Pre-Registration Schedule Form.
4. Present your Trial Schedule to your Advisor for approval. Make whatever changes he specifies. Complete the Pre-Registration Form and give it to the Advisor for his signature. Your Trial Schedule and Pre-Registration Schedule must agree.
5. Take the Pre-Registration Schedule Form (keep it intact) to the tally board for your college. You are not registered for any courses until this is done. (Non-Engineering Graduate students in all cases must return their schedules to the Graduate School office.)
6. The Pre-Registration Form is not to be retained by the student in any case.

If you discover an error or a conflict on your schedule or there is a change in your status, report immediately to your Dean. Changes in your schedule due to course cancellations or failure of courses must be changed at the Drill Hall during Registration.
