- I. All classes are reserved by college. Do not choose a section of a course which is reserved for a college other than your own unless you obtain the permission of your Dean or the Department Head who offers the course. In the college reservation column, "UN" indicates the course is open to all university students, whereas "GR" indicates that the Department Head's permission must be granted in order to take the course.
- II. The course sequence number is essential. Make certain it is correct. Print ALL digits in the number. The last two digits indicate the course section.
- III. Classes begin on the half hour in the morning and ten minutes past the hour in the afternoon. Classes which run for an hour and fifteen minutes will meet at the following time: 8:00 a.m., 9:30 a.m., 11:00 a.m., 1:10 p.m., 2:30 p.m., and 4:00 p.m. Such a class would be shown as 1 TT 3, for example, for a class which meets at 1:10 p.m., or 10 TT 12 for a class which would meet at 11:00 a.m.
