IV. EXPLANATION OF THE COLLEGE "RESERVATION" CODES:

1. UPPERCLASSMEN: THE DEAN OF YOUR COLLEGE MUST APPROVE any requests to take courses which are in exception to the college reservation for a section. Space in each class is reserved for students of the college designated in the RESERVATION COLUMN. The number of students permitted is also indicated. Departmental advisors have been assigned portions of various sections for their "blocks".
2. "UN" in a course indicates it is open to two or more colleges of the university. The number of spaces reserved for each college is shown in the college column. The deans have assigned "blocks" to each department head so that equal access to the course is available to students within the college.
3. UPPERCLASSMEN MAY NOT TAKE CLASSES RESERVED FOR THE FRESHMAN YEAR EXCEPT AS NOTED IN THE COLLEGE RESERVATION COLUMN. THE DEAN OF THE FRESHMAN YEAR OF STUDIES OR HIS REPRESENTATIVE (NOT THE DEAN OF YOUR COLLEGE) MUST APPROVE ANY REQUESTS FROM INDIVIDUALS FOR EXCEPTIONS.
4. Classes in Physical Education and Music Organization have not been "blocked" and may be taken as required! Developmental Reading or Speech Clinic classes must have the permission of the department head.
5. LAW courses are restricted to law students except for section "3" of Torts which will be designated "UN" and will have openings for students as shown in the college reservation columns.
6. GRADUATE courses are restricted to graduate students and qualified seniors except for "300's" series which are restricted to graduate students only. They will have the abbreviation "GR" in the college reservation column.
7. All courses are subject to prerequisites shown in the catalogue.

V. EXPLANATION OF THE "CHECK MARK" IN THE CLASS CODE COLUMN:

If the course you select has a check (✓) mark in the class code column, you must report to the department which offers the course and obtain an "authorization" card BEFORE YOU SEE YOUR ADVISOR. This card must be given to your advisor when you see him to arrange your schedule. The list of (✓) checked classes will be available before registration. You may obtain cards beginning May 11 at the department head's offices.

VI. EXPLANATION OF THE COURSE EXAMINATION COLUMN:

Check the examination code column for the letters "C" and "D". The "D" denotes departmental examinations. The "C" denotes courses in which the exam is to be given by section.
