# EXPLANATION OF CODES USED IN THE SCHEDULE BOOK

## I. DEPARTMENTAL CODE (Column A on Form 50)

These are four or less letters which abbreviate the title of the department; it appears at the top of each new department in the Schedule Booklet, along with the location of the departmental offices. It also appears in the second column of the course offerings.

## II. The "SFX" (suffix) in the COURSE NUMBER COLUMN (Column B on Form 50)

In the suffix column the letter(s) are used to differentiate between the purposes of the course or certain sections of it. "IS" is a course for International Students; "IA" is used for the Innsbruck, Austria program; "AF" for the Angers, France program; "TJ" for the Tokyo, Japan program; "MM" for the Mexico City, Mexico program; "RI" for the Rome, Italy fourth and fifth year Architecture program; "RM" for the Rome campus of Saint Mary's College program. The letters "A," "B," "C" are used when (for the same course) either the approach or the credit hours differ; "D" denotes a Drill or Demonstration course; "H" for Honors; "L" for Laboratory; "M" indicates that the class is primarily for majors; "N" denotes a night course (except for Architecture); "PU" denotes courses offered at Purdue University; "P" denotes Professional Theology courses; "R" for Research courses (or Recitation courses for Saint Mary's College students); "T" for Tutorial; and "QA" indicates credit given for Quantitative Analysis Laboratory.

## III. The "CRH" (credit) HOUR COLUMN (Column C on Form 50)

If the column is blank the course is a "no grade" class which is usually a portion of a lecture to which credit hours are assigned, i.e., Lab and Drill. If the column has "00" printed in it, the course is a "credit" course where the grade is usually "S" or "U" and it is not included in student averages. (Music Organization courses—neither the credit nor the grade is included in the average.) If the letter "V" is printed in the column, it is a variable credit hour course and the advisor must assign credit hours to the course on the Form 50. These variable credit classes have section numbers in the 50s. The credits assigned to all courses must agree with the catalog description.

## IV. The CLASS SEQUENCE NUMBER COLUMN OF THE SCHEDULE BOOK (Column D on Form 50)

Print the correct Class Sequence Number where it is requested on all forms. Incorrect Sequence Numbers will cause assignment to the wrong course or section or time. Print all six digits of the class sequence number. The first digit of all ROTC and Physical Education courses is zero-"0." Saint Mary's College courses all have Class Sequence Numbers in the 80s and 90s. The last two digits of each Class Sequence Number indicates the "section" number and must be shown.

**PLEASE USE THE TRIAL SCHEDULE SHEET ON THE BACK COVER OF THIS BOOKLET TO AVOID COURSE CONFLICTS.**

## V. The ABBREVIATION IN THE "HR-DAYS" (hour-days) COLUMN

The normal fifty minute class periods begin at 8:00 A.M., 9:05 A.M., 10:10 A.M., 11:15 A.M. and 1:15 P.M., 2:20 P.M., 3:25 P.M., 4:30 P.M. The 8:00 A.M. classes are shown as 8; 9:05 A.M. classes are shown as 9; etc. 1:15 P.M. classes are shown as 1; 2:20 P.M. classes are shown as 2; etc. Notre Dame's Tuesday and Thursday classes which exceed 50 minutes are shown as follows: an 8:00 A.M. to 9:15 A.M. class will be shown as 8TT10; a 9:30 to 10:45 A.M. class is shown as 9TT11, an 11:00 to 12:15 P.M. class will be shown as 10TT12. 1TT3 denotes a class which meets from 1:15 P.M. to 2:30 P.M.; a 2TT4 denotes a class meeting 2:45 to 4:00 P.M.; a 3MW5 denotes a class meeting from 3:30 to 4:45 P.M.; and 4TT6 denotes a class meeting 4:15 to 5:30 P.M. Where the time is omitted, the professor will arrange hours with the students. Saint Mary's College class periods are the same as Notre Dame with the addition of a 12:15 P.M. class.

## VI. The BUILDING AND ROOM CODE COLUMN

The name of the building corresponding to the building code is printed on the front page of this booklet. Room numbers are as shown, with the exception of the Memorial Library seminar rooms. Rooms 1000, 1100, 1200 and 1300 appear in the room code column as 100, 110, 120 and 130. The building and room shown are subject to change.

## VII. The FINAL EXAM CODE COLUMN

Check the Examination Code Column for the letters "C," "D" and "F." The "C" denotes courses in which the examination is to be given by class at an assigned hour. The "D" denotes upperclass departmental examinations. The "F" denotes Freshman Year departmentals. The final examination schedule normally precludes more than two examinations in one day.

## VIII. PROFESSOR ASSIGNED TO CLASS This is subject to change without notice.

## IX. CHECKMARK COURSES

These courses require the permission of the department offering the course for upperclass and Graduate courses as indicated. You must go to the building and room shown under the departmental heading to obtain entry to checkmark courses. Freshman checkmark course (✓) cards must be obtained from the Freshman Year of Studies Office. (See the Advance Registration procedure for further instructions.)

## X. The COLLEGE RESERVATION CODE COLUMN

FY Indicates the class is reserved for Freshmen. Upperclassmen must have the permission of the Dean of the Freshman Year to take the class.  
 AL Indicates the class is reserved for Arts and Letters students.  
 BA Indicates the class is reserved for Business Administration students.  
 EG Indicates the class is reserved for Engineering students.  
 SC Indicates the class is reserved for Science students.  
 GR Indicates the class is reserved for Graduate students primarily, although undergraduates may take it with the department chairman's permission.  
 SM Indicates the class is reserved for Saint Mary's College students primarily.  
 UN This column indicates that a class is open to undergraduates from more than one college.
