The University of Notre Dame

Course Schedule

FALL SEMESTER 1973/74

EXPLANATION OF CODES USED IN THE COURSE SCHEDULE

I. DEPARTMENTAL CODE (Column A on Form 50)

These are four or less letters which abbreviate the title of the department; it appears at the top of each new department in this Course Schedule, along with the location of the departmental offices. It also appears in the second column of the departmental course offerings.

II. The "SFX" (suffix) in the COURSE NUMBER COLUMN (Column B on Form 50)

In the suffix column the letter(s) are used to differentiate between the purposes of the course or certain sections of it. "IS" is a course for International Students; "IA" is used for the Innsbruck, Austria program; "AF" for the Angers, France program; "TJ" for the Tokyo, Japan program; "MM" for the Mexico City, Mexico program; "RI" for the Rome, Italy fourth and fifth year Architecture program; "RM" for the Rome campus of Saint Mary's College program. The letters "A," "B," "C" are used when (for the same course) either the approach or the credit hours differ; "D" denotes a Drill or Demonstration course; "H" for Honors; "L" for Laboratory; "M" indicates that the class is primarily for majors; "N" denotes a night course (except for Architecture); "PU" denotes courses offered at Purdue University; "P" denotes Professional Theology courses; "R" for Research courses; "T" for Tutorial; and "QA" indicates credit given for Quantitative Analysis Laboratory.

III. The "CRE" (credit) HOUR COLUMN (Column C on Form 50)

This column reflects the total number of credits to be awarded in a particular course. If the column is blank, the course is a "no grade" class which is usually a portion of a lecture to which credit hours are assigned, i.e., Lab and Drill. If the column has "00" printed in it, the course is a "credit" course where the grade is usually "S" or "U" and it is not included in student averages. (Music Organization courses--neither credit nor grade is included in the average.) If the letter "V" is printed in the column, it is a variable credit hour course and the advisor must assign credit hours to the course on the Form 50. These variable credit classes have section numbers in the 50's. The credits assigned to all courses must agree with the catalog description.

IV. The CLASS SEQUENCE NUMBER COLUMN OF THE SCHEDULE BOOKLET (Column D on Form 50)

Print the correct Class Sequence Number where it is requested on all forms. Incorrect Sequence Numbers will cause assignment to the wrong course or section or time. Print all six digits of the class sequence number. The first digit of all ROTC and Physical Education courses is zero "0". The last two digits of each Class Sequence Number indicates the "section" number and must be shown.

V. The Abbreviation in the "HR-DAYS" (hour-days) COLUMN

The normal fifty minute class periods begin at 8:00 A.M., 9:05 A.M., 10:10 A.M., 11:15 A.M. and 1:15 P.M., 2:20 P.M., 3:25 P.M., 4:30 P.M. The 8:00 A.M. classes are shown as 8; 9:05 A.M. classes are shown as 9; etc. 1:15 P.M. classes are shown as 1; 2:20 P.M. classes are shown as 2; etc. Classes which meet two days a week and which exceed 50 minutes are shown as follows: an 8:00 A.M. to 9:15 A.M. class will be shown as 8TT10; a 9:30 A.M. to 10:45 A.M. class is shown as 9TT11; an 11:00 A.M. to 12:15 P.M. class will be shown as 10TT12. 1TT3 denotes a class which meets from 1:15 P.M. to 2:30 P.M.; a 2TT4 denotes a class meeting 2:45 to 4:00 P.M.; a 3MW5 denotes a class meeting from 3:30 to 4:45 P.M.; and 4TT6 denotes a class meeting 4:15 to 5:30 P.M. Where the time is omitted, the professor will arrange hours with students.

VI. The BUILDING AND ROOM CODE COLUMN

The name of the building corresponding to the building code is printed in the following listing. The building and room shown are subject to change. Room numbers are as shown, with the exception of the Memorial Library seminar rooms 1000, 1101, 1132, 1200, and 1300 which appear in the room code column as 100, 110, 113, 120 and 130. Room G-236 in the basement of the Memorial Library is listed as 236.

Air-Military-Naval Sci Bldg.....5	Psychology Bldg.....42	Computing-Mathematics Ctr.....74
Rockne Memorial Bldg.....6	Washington Hall & Theatre.....44	Aerospace Engineering Bldg....75
Holy Cross Annex.....11	Nieuwland Science Hall.....52	Geology Bldg.....77

Law Building.....37	Art Center (Old Gym).....57	Hayes-Healy Center.....88
Engineering Bldg.....40	Biology Bldg.....61	Flanner Hall.....89
Bus Administration Bldg.....41	Memorial Library.....72	Grace Hall.....90

VII. The FINAL EXAM CODE COLUMN

Check the Examination Code Column for the letters "C," "D" and "F". The "C" denotes courses in which the examination is to be given by class at an assigned hour. The "D" denotes upperclass departmental examinations. The "F" denotes Freshman Year departmentals. The final examination schedule normally precludes more than two examinations in one day.

VIII. PROFESSOR ASSIGNED TO CLASS (This assignment is subject to change without notice.)

IX. The COLLEGE RESERVATION CODE COLUMN

- FY Indicates the class is reserved for Freshmen. Upperclassmen must have the permission of the Dean of the Freshman Year of Studies to take the class.
- AL Indicates the class is reserved for Arts and Letters students.
- BA Indicates the class is reserved for Business Administration students.
- EG Indicates the class is reserved for Engineering students.
- SC Indicates the class is reserved for Science students.
- GR Indicates the class is reserved for Graduate students primarily, although undergraduates may take it with the department chairman's permission.
- UN Indicates that a class is open to undergraduates from more than one specific college.

THE UNIVERSITY RESERVES THE RIGHT TO CANCEL OR RE-ASSIGN PROFESSORS OR STUDENTS IN A CLASS
