**B COURSE NUMBER AND SUFFIX**

This information appears immediately to the right of the departmental abbreviation. The three digit course number may have a one character alphabetic suffix. The standard suffixes used are "A", "B", "C" and "D" for the same course when either the content, approach or the credit hours differ; "D" also denotes a Drill or Demonstration course; "F" for courses taught in (or in preparation for) the Foreign Studies program; "L" for Lab; "P" for Professional courses; "R" for Research courses; "S" for Studio courses; "T" for Tutorial sections.

**C SECTION NUMBER**

A two digit number unique to each section of each course offered appears to the right of the course number and suffix.
