ADVANCE REGISTRATION INSTRUCTIONS

All undergraduate students, except for Sophomores in the College of Business Administration, will Advance Register for the Fall 1987/88 semester at the Stepan Center from Monday, April 27th to Wednesday, April 29th, between 9:00 a.m. and 4:30 p.m. Graduate and MBA students will Advance Register in the Registrar's Office (215 Administration Building). The last day for all students to Advance Register will be Thursday, April 30th in the Registrar's Office.

ADVANCE REGISTRATION FORMS are sent by mail to all students eligible to Advance Register. Bring your completed ADVANCE REGISTRATION FORM with you when you go to Advance Register. If you do not receive a form, contact the Registrar's Office. If you do not intend to return for the Fall 1987/88 semester, return the form to the Registrar's Office by April 30, 1987.

Students who do not have majors should check with their Dean's Office to determine when and where to go for advance registration counseling. Students who have majors should see their departmental advisors according to the schedules set by their departments.

Pass/Fail options, course audits (which do not appear on undergraduate student transcripts), or course overloads (c.f. section below on CLASS LOADS, page 6) will not be approved until the Fall Semester enrollment period which begins on Monday, August 24, 1987. Do not sign up for an overloaded schedule at this time or your entire schedule is liable to be cancelled. In order to register as a part-time student, you must obtain permission from your Dean before the beginning of Fall semester.

The Registrar's Office tries to satisfy all student course requests (except overloads), but courses or sections which are oversubscribed may be deleted from your schedule (c.f. COURSE REGISTRATION SYSTEMS, page 3). Undergraduate class schedules will be mailed to home addresses in mid-August. Graduate and MBA student schedules will be mailed to local addresses. Please provide us with an alternative address if you won't be there then. Law schedules are distributed at the Law School.

Even though you Advance Register for the Fall 1987/88 semester, you must still ENROLL in the fall according to the procedures outlined on page 4.

SENIORS

1987 SUMMER SESSION

To take courses in the 1987 Summer Session at Notre Dame, all students must REGISTER for the courses and ENROLL in person at the beginning of the Summer Session (June 15) in Stepan Center.

Students who are enrolled at Notre Dame during the Spring 1986/87 semester should REGISTER for Summer Session courses by using the (red) SUMMER SESSION ADVANCE REGISTRATION FORM which is available in:

Deans' Offices
Departmental Offices
Registrar's Office
Summer Session Office

The form should be completed, signed by your advisor and returned during the Advance Registration Period. The completed form will also be accepted by the Registrar's Office through May 31st. However, every effort should be made to return the form before May 13th.

After May 22nd, SUMMER SESSION APPLICATION FORMs, available only at the Summer Session Office (310 Administration Building), must be used to REGISTER for Summer Session courses. Advance Registration is preferred, but REGISTRATIONS will be accepted up to the first day of classes.

If, after Advance Registering for Summer Session courses, you decide not to attend the Summer Session, you must notify the Summer Session Office before June 15, 1987.

COURSE REGISTRATION SYSTEMS

PRIORITY SYSTEM (Non-Checkmark System)

Procedure

Students list the courses they want to take on the ADVANCE REGISTRATION FORM. After the Advance Registration period these forms are optically scanned and prioritized class lists are generated by the Registrar's Office for each course to be offered, according to the University Priority formula or special formulas requested by departments (e.g., for courses restricted to Freshmen). The Registrar's Office sends these lists to the departments who can then:

1. Enlarge the class by either opening an additional section or by increasing the maximum enrollment.
2. Cut off the enrollment at the maximum set by the department.
3. Cut off the enrollment at the beginning of a class of students, e.g., after senior non-majors.
4. Cancel the course if the enrollment is below the minimum set by the department.
5. Accept all the students on the list.

The Registrar's Office prepares the students' schedules according to the information received from the departments and mails them to the students about one to two weeks before the beginning of the following semester.

University Priority Formula

1. Fifth year majors
2. Senior majors
3. Junior majors
4. Sophomore majors
5. Fifth year non-majors in the college in which the course is taught

6. Senior non-majors in the college in which the course is taught
7. Junior non-majors in the college in which the course is taught
8. Sophomore non-majors in the college in which the course is taught
9. Senior non-majors in all other colleges
10. Junior non-majors in all other colleges
11. Sophomore non-majors in all other colleges
12. Non-degree-seeking students
13. Auditors

Students are listed randomly within each category. Saint Mary's College students are given the same priority as Notre Dame students, at the same class level. Any changes in the course formula are listed in the course comments section of the Schedule of Courses.

CHECKMARK SYSTEM

Procedure

The Registrar's Office distributes a limited number of CHECKMARK COURSE FORMS, equal to the maximum number of students in the course, to the departmental offices. Prior to (and during) the Advance Registration Period, a student obtains a form for each course desired from the department offering the course, fills it out and leaves it with the department. Distribution priority of the forms is determined by the department. When the forms are all gone, enrollment in the course stops.

The forms are collected by the Registrar's Office and the courses added to those which the students selected on the ADVANCE REGISTRATION FORMS.

ENROLLMENT INSTRUCTIONS

ENROLLMENT

All students (undergraduate and graduate) must enroll in person, even if they have Advance Registered during the previous semester.

FRESHMEN will enroll at the **STEPAN CENTER** on Monday, August 24 between 8:30 a.m. and 2:00 p.m.

CONTINUING STUDENTS (graduate, undergraduate and all MBA students) will enroll at the **ACC** on Monday, August 24 between 8:30 a.m. and 3:15 p.m. Law students should refer to the special instruction of the Law School.

ALL NEW STUDENTS (except freshmen) will enroll at the **STEPAN CENTER** on Friday, August 21 (this also includes readmitted students and students returning from a leave of absence). The Registrar will hold a brief orientation for new graduate students at 8:30 p.m. in Washington Hall.

PROCEDURE

You will be given an **ENROLLMENT FORM** as you enter the enrollment arena. Write in your name, I.D. (S.S.) number, and local (off-campus) address. Marksense your ID number, using a #2 pencil.

If you expect to graduate in January, May or August 1988, you must indicate this on the **ENROLLMENT FORM**. This will place your name on the preliminary graduation list. Indicate if you want your local address and/or telephone number withheld from the University directory.

Sign the form and write in the date. Take the completed form and your identification card to an enrollment clerk who will stamp the form and return a copy to you. Retain this copy as it is proof of enrollment.

New students must have their picture taken for a student photo I.D. card during enrollment.

Students who do not enroll by Wednesday, September 2nd will not appear on the revised class lists for any of their courses. After this date, a late fee of \$25.00 will be charged to add a student to the class lists.

SCHEDULE CHANGES

Fall semester class schedules will be mailed about two weeks before the beginning of the semester. Bring the class schedule with you when you return to Notre Dame.

To change your class schedule (adds, drops, P/F option changes, etc.) go to your department after you have enrolled and obtain a **SCHEDULE ADJUSTMENT REQUEST FORM** for each change. You must obtain your advisor's signature and the signature of a representative of the department offering the course. Students who change majors may drop their old courses and add their new ones on a **COURSE SELECTION FORM**. The completed forms must be turned in (all week) at the Registrar's Office or at 104 O'Shaughnessy Hall (on enrollment day only).

Notre Dame students register for SMC courses by obtaining a **SCHEDULE ADJUSTMENT FORM** from your department and taking the signed form to the SMC department which offers the course, for approval. Turn the form in at the Notre Dame Registrar's Office or at 104 O'Shaughnessy Hall.

Upper-class students with schedule changes for freshman level courses must obtain approval from the Freshman Year Office; at **STEPAN CENTER** between 1:00 p.m. and 2:30 p.m. on Enrollment Day, or, after this time, at the Freshman Year Office in Brownson Hall.

The last day for schedule changes is Wednesday, September 2, 1987. All courses dropped after this date will require your Dean's permission.

PASS/FAIL OPTION

Juniors and Seniors (only) may take one course per semester (or three 1-credit mini courses), not in or required by their major, on a Pass/Fail basis by completing a form which can be obtained in the Registrar's Office.

Permission of your Dean is required. You must select the Pass/Fail option by September 2, 1987. After this date, the Pass/Fail option is no longer available and cannot be changed.

ADDRESS CHANGES

Students should report changes in home or local addresses and telephone number(s) to the Registrar's Office. Use the **ENROLLMENT FORM**.

STUDENT PHOTO I.D. CARD REGULATIONS

PHOTO I.D. CARD

This laminated, multi-year card contains, in addition to your photograph, an embossed and printed name and student I.D. (social security) number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also on the back for the use of the University library.

You are responsible for the care and safe-keeping of the card. There is a \$10.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the

back. It is issued to you to use while your photo I.D. card is being prepared. You must return this card in exchange for your permanent photo I.D. card or a \$5.00 fee will be charged and a new photo I.D. will have to be prepared.

TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged.

REPLACEMENT OF LOST OR STOLEN I.D. CARDS

Report to the Registrar's Office if your I.D. card(s) has been lost or stolen. This is particularly important because the lost/stolen card must be invalidated.

You are strongly encouraged to make every effort to recover your missing I.D. card. Once a replacement card of any kind is issued, no refund will be made for the missing card.

If you find a lost I.D. card, please call the I.D. clerk in the Registrar's Office (239-6488). She will have the student contact you to retrieve the card. Please do not mail the card to us or to any other office.

TRANSCRIPT REQUESTS

All transcript requests must be made in writing (not by telephone) to the Registrar's Office. There is a charge of \$2.00 for each transcript. They are normally mailed, but can be picked up in the Registrar's Office, 2 to 3 days after receipt of the request.

Transcripts given directly to a student are stamped ISSUED TO STUDENT.

The University only issues transcripts of academic work taken at Notre Dame. Requests for transcripts of work taken at other institutions should be directed to those institutions.

Requests for transcripts will not be honored if you are financially indebted to the University.

In general, most evaluative information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar permission to release it to that specific party. The Registrar may, however, disclose directory information without the student's stated permission. This includes full name, dates of attendance, certification of current or previous enrollment, full or part-time status, college/major or level, and degree(s) received.

ACADEMIC INFORMATION

CLASS RATINGS FOR UNDERGRADUATES

For academic purposes, the rating of a student as freshman, sophomore, junior or senior depends on the number of credit hours completed. The minimum number of hours required for each classification, which depends on the undergraduate college, are as follows:

College of Arts & Letters (120 credits for degree)

Level 2	Sophomore	24	credits
Level 3	Junior	54	credits
Level 4	Senior	84	credits

College of Business Administration (126 credits for degree)

Level 2	Sophomore	24	credits
Level 3	Junior	54	credits
Level 4	Senior	84	credits

College of Engineering (134 Credits for degree)

(162 Credits for Architecture degree)

Level 2	Sophomore	24	credits
Level 3	Junior	60	credits
Level 4	Senior	92	credits
Level 5	5 th Year	120	credits

College of Science (124 credits for degree)

Level 2	Sophomore	24	credits
Level 3	Junior	56	credits
Level 4	Senior	86	credits

Class rankings are calculated for each undergraduate college. The students cumulative average is used and includes all courses taken at the University for which a grade was received and credit given. No course may be repeated unless grades of "F" or "U" were received.

CLASS LOADS

You may not register for an overload course schedule without permission from your Dean. If you sign up for an overload schedule during Advance Registration, your entire schedule is liable to be cancelled. The number of credits constituting an overload depend on the college as follows:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA-2	18
BA-3	18
BA-4	18
EG	18
FY	17
SC	17
GB	15
GR	12
LW	17

The following courses do not count toward the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (chorale), private music lessons.

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered part time. Full time students, already enrolled in the University, who wish to convert to part-time status must request permission from their dean before the start of the semester in which part-time status is desired.
