# STUDENT PHOTO I.D. CARD REGULATIONS

## PHOTO I.D. CARD

This laminated, multi-year card contains, in addition to your photograph, an embossed and printed name and student I.D. (social security) number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also on the back for the use of the University library.

You are responsible for the care and safekeeping of the card. There is a \$10.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

## TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared. You must return this card in exchange for your permanent photo I.D. card or a \$5.00 fee will be charged.

## TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged.

## REPLACEMENT OF LOST OR STOLEN I.D. CARDS

Report to the Registrar's Office if your I.D. card(s) has been lost or stolen. This is particularly important because the lost/stolen card must be invalidated.

You are strongly encouraged to make every effort to recover your missing I.D. card. Once a replacement card of any kind is issued or your photograph is retaken, no refund will be made for the missing card.

If you find a lost I.D. card, please call the I.D. clerk in the Registrar's Office (239-6488). She will have the student contact you to retrieve the card. Please do not mail the card to us or to any other office.

## ADDRESS CHANGES

Students should report changes in their home/ local addresses and telephone number(s) to the Registrar's Office.

## TRANSCRIPT REQUESTS

All transcript requests must be made in writing (not by telephone) to the Registrar's Office. There is a charge of \$2.00 for each transcript. They are normally mailed, but can be picked up in the Registrar's Office, 2 to 3 days after receipt of the request.

Transcripts given directly to a student are stamped **ISSUED TO STUDENT**.

The University only issues transcripts of academic work taken at Notre Dame. Requests for transcripts of work taken at other institutions should be directed to those institutions.

Requests for transcripts will not be honored if you are financially indebted to the University.

In general, most evaluative information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar permission to release it to that specific party. The Registrar may, however, disclose directory information without the student's stated permission. This includes full name, dates of attendance, certification of current or previous enrollment, full or part-time status, college/major or level, and degree(s) received.

# COURSE REGISTRATION SYSTEMS

## PRIORITY SYSTEM

### (Non-Checkmark System)

#### Procedure

Students list the courses they want to take on the **ADVANCE REGISTRATION FORM**. After the Advance Registration period these forms are optically scanned and prioritized class lists are generated by the Registrar's Office for each course to be offered, according to the University Priority formula or special formulas requested by departments (e.g., for courses restricted to Freshmen). The Registrar's Office sends these lists to the departments who can then:

1. Enlarge the class by either opening an additional section or by increasing the maximum enrollment.
2. Cut off the enrollment at the maximum set by the department.
3. Cut off the enrollment at the beginning of a class of students, e.g., after senior non-majors.
4. Cancel the course if the enrollment is below the minimum set by the department.
5. Accept all the students on the list.

The Registrar's Office prepares the students' schedules according to the information received from the departments and mails them to the students about one to two weeks before the beginning of the following semester.

#### University Priority Formula

1. Fifth year majors
2. Senior majors
3. Junior majors
4. Sophomore majors

5. Fifth year non-majors in the college in which the course is taught
6. Senior non-majors in the college in which the course is taught
7. Junior non-majors in the college in which the course is taught
8. Sophomore non-majors in the college in which the course is taught
9. Senior non-majors in all other colleges
10. Junior non-majors in all other colleges
11. Sophomore non-majors in all other colleges
12. Non-degree-seeking students
13. Auditors

Students are listed randomly within each category. Saint Mary's College students are given the same priority as Notre Dame students, at the same class level. Any changes in the course formula are listed in the course comments section of the Schedule of Courses.

## CHECKMARK SYSTEM

#### Procedure

The Registrar's Office distributes a limited number of **CHECKMARK COURSE FORMS**, equal to the maximum number of students in the course, to the departmental offices. Prior to (and during) the Advance Registration Period, a student obtains a form for each course desired from the department offering the course, fills it out and leaves it with the department. Distribution priority of the forms is determined by the department. When the forms are all gone, enrollment in the course stops.

The forms are collected by the Registrar's Office and the courses added to those which the students selected on the **ADVANCE REGISTRATION FORMS**.

# ACADEMIC INFORMATION

## CLASS RATINGS FOR UNDERGRADUATES

For academic purposes, the rating of a student as freshman, sophomore, junior or senior depends on the number of credit hours completed. The minimum number of hours required for each classification, which depends on the undergraduate college, are as follows:

### College of Arts & Letters

(120 credits for degree)

Level 2	Sophomore	24 credits
Level 3	Junior	54 credits
Level 4	Senior	84 credits

### College of Business Administration

(126 credits for degree)

Level 2	Sophomore	24 credits
Level 3	Junior	54 credits
Level 4	Senior	84 credits

### College of Engineering

(134 Credits for degree)

(162 Credits for Architecture degree)

Level 2	Sophomore	24 credits
Level 3	Junior	60 credits
Level 4	Senior	92 credits
Level 5	5 <sup>th</sup> Year	120 credits

### College of Science

(124 credits for degree)

Level 2	Sophomore	24 credits
Level 3	Junior	56 credits
Level 4	Senior	86 credits

Class rankings are calculated for each undergraduate college. The students cumulative average is used and includes all courses taken at the University for which a grade was received and credit given. No course may be repeated unless grades of "U" or "F" were received.

## CLASS LOADS

You may not register for an overload course schedule without permission from your Dean. If you sign up for an overload schedule during Advance Registration, your entire

schedule is liable to be cancelled. The number of credits constituting an overload depend on the college as follows:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA	18
EG	18
FY	17
SC	17
GB	15
GR	12
LW	17

The following courses do not count toward the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (chorale), private music lessons, and Urban Plunge.

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered part time. Full time students, already enrolled in the University, who wish to convert to part-time status must request permission from their dean before the start of the semester in which part-time status is desired.
