# ENROLLMENT INSTRUCTIONS

---

## ENROLLMENT

All students (undergraduate and graduate) must Enroll in person, even if they have Registered for courses during the previous semester.

**FRESHMEN** will enroll in the South Dome of the JACC (enter Gate 10) on Monday, August 28, between 8:30 a.m. and 2 p.m.

**CONTINUING STUDENTS** (graduate, undergraduate and 2nd year MBA students) will enroll in the North Dome of the JACC (enter Gate 3) on Monday, August 28, between 8:30 a.m. and 3:15 p.m. Law students should refer to the special instructions of the Law School.

**ALL NEW STUDENTS** (except freshmen and Law students) will enroll in the North Dome JACC (enter Gate 3) on Friday, August 25 (this also includes re-admitted students and students returning from a leave of absence). The Registrar will hold a brief orientation in Washington Hall for new graduate students at 8:30 a.m., and transfer students at 9:30 a.m.

## PROCEDURE

You will be given an ENROLLMENT FORM as you enter the enrollment arena. Write in your name, I.D. (S.S.) number, and for students living off-campus the local address and telephone number. Marksense your ID number and off-campus address and telephone number, using a #2 pencil.

Sign the form and write in the date. Take the completed form and your identification card to an enrollment clerk who will stamp the form and return a copy to you. Retain this copy as proof of enrollment.

**Note:** Students who do not enroll by Wednesday, September 6, will be removed from the revised class lists for any of their courses. After this date, a late fee of \$25.00 will be charged to add a student to the class lists.

New students must have their picture taken for a student photo I.D. card during enrollment.

---

## SCHEDULE CHANGES

To change your class schedule (adds, drops, section numbers, etc.) go to your department **after** you have enrolled and obtain a SCHEDULE ADJUSTMENT REQUEST form for each change. You must obtain your advisor's signature and the signature of a representative of the department offering the course. Students who change majors may drop their old courses and add their new ones on a COURSE SELECTION form. The completed forms must be turned in (all week) at the Registrar's Office or at 104 O'Shaughnessy Hall (on enrollment day only).

Notre Dame students register for SMC courses by obtaining a SCHEDULE ADJUSTMENT REQUEST form from your department and taking the signed form to the SMC department which offers the course, for approval. Turn the form in at the Notre Dame Registrar's Office or at 104 O'Shaughnessy Hall, (on enrollment day only).

Upper-class students with schedule changes for **freshman level** courses must obtain approval from the Freshman Year Office; at the South Dome of the JACC between 1 p.m. and 2 p.m. on Enrollment Day. After this time, go to the Freshman Year Office in Brownson Hall.

The last day for schedule changes is Wednesday, September 6, 1989. All courses dropped after this date will require your Dean's permission.

## PASS/FAIL OPTION

Juniors and Seniors may take only **one** elective course per semester (or three 1-credit mini courses), outside their major department and not required by the student's program, on a Pass/Fail basis. For this option complete a form which can be obtained in the Registrar's Office. **Permission of your Dean is required.** You must select the Pass/Fail option by September 6, 1989. After this date, the Pass/Fail option is no longer available and cannot be changed.

## ADDRESS CHANGES

Students should report changes in only their local off-campus or home address(s) and telephone number(s) to the Registrar's Office.

# STUDENT PHOTO I.D. CARD REGULATIONS

---

## PHOTO I.D. CARD

This laminated multi-year card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also on the back for the use by the University library.

You are responsible for the care and safekeeping of the card. There is a \$12.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

## TEMPORARY VALI-DINE CARD

This is a non-photo, laminated card which contains a magnetically coded strip on the back. It is issued to use while your photo I.D. card is being prepared.

You must return this card in exchange for your permanent photo I.D. card or a \$6.00 fee will be charged, and your photo retaken.

## TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$6.00 fee will be charged.

## REPLACEMENT OF LOST OR STOLEN I.D. CARDS

Report to the Registrar's Office if your I.D. card has been lost or stolen. This is particularly important because the lost or stolen card must be invalidated.

You are strongly encouraged to make every effort to recover your missing I.D. card. Once a replacement card of any kind is issued or your photograph is retaken, **no refund** will be made for the missing card.

If you find a lost I.D. card, please call the I.D. Clerk in the Registrar's Office (239-6488). We will have the student contact you to retrieve the card. Please do not mail the card to us or to any other office.

# TRANSCRIPT REQUESTS

You may fill out a **Transcript Request** form in the Registrar's Office or send a letter to:

Registrar's Office  
Transcript Clerk  
215 Main Building  
University of Notre Dame  
Notre Dame, IN 46556

A request shall include your full name, dates of attendance, social security number, address of person, school, or company where the transcript is to be sent, your return address, and **your signature**. There is a charge of \$2.00 for each transcript. **A transcript cannot be ordered by telephone.**

You may send the request by fax machine instead of mail. However, the transcript itself will be mailed. Our fax number is (219) 239-5872.

Transcripts are normally mailed, but can be picked up in the Registrar's Office, two to three days after

receipt of the request. Transcripts given directly to students are stamped **ISSUED TO STUDENT**.

The University issues only transcripts of academic work taken at Notre Dame. Requests for transcripts of work taken at other institutions should be directed to those institutions.

Requests for transcripts will not be honored if you are financially indebted to the University.

In general, most **evaluative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar permission to release it to that specific party. The Registrar may, however, disclose **directory information** without the student's stated permission. This includes full name, dates of attendance, certification of current or previous enrollment, full or part-time status, college/major or level, and degree(s) received.

# COURSE REGISTRATION SYSTEMS

## **PRIORITY SYSTEM (Non-Checkmark System)**

### **Procedure**

Students list the courses they want to take on the REGISTRATION FORM. After the Registration period these forms are optically scanned and prioritized class lists are generated by the Registrar's Office for each course to be offered, according to the University Priority formula or special formulas requested by departments (e.g., for courses restricted to Freshmen). The Registrar's Office sends these lists to the departments who can then:

1. Enlarge the class by either opening an additional section or by increasing the maximum number of students.
2. Cut off the roster at the maximum set by the department.
3. Cut off the roster at the beginning of a class of students, e.g., after senior non-majors.
4. Cancel the course if the roster is below the minimum set by the department.
5. Accept all the students on the list.

The Registrar's Office prepares students' schedules according to the information received from the departments and mails them to the students about one to two weeks before the beginning of the following semester.

### **University Priority Formula**

1. Fifth year majors
2. Senior majors
3. Junior majors
4. Sophomore majors
5. Fifth year non-majors in the college in which the course is taught

6. Senior non-majors in the college in which the course is taught
7. Junior non-majors in the college in which the course is taught
8. Sophomore non-majors in the college in which the course is taught
9. Senior non-majors in all other colleges
10. Junior non-majors in all other colleges
11. Sophomore non-majors in all other colleges
12. Non-degree-seeking students

Students are listed randomly within each category. Saint Mary's College students are given the same priority as Notre Dame students, at the same class level. Any changes in the course formula are listed in the course comments section of the Schedule of Courses.

## **CHECKMARK SYSTEM**

### **Procedure**

The Registrar's Office distributes a limited number of CHECKMARK COURSE FORMS, equal to the maximum number of students in the course, to the departmental offices. Prior to (and during) the Registration period, a student obtains a form for each course desired from the department offering the course, fills it out and leaves it with the department. Distribution priority of the forms is determined by the department. **When the forms are all gone, registration in the course stops.**

The forms are collected by the Registrar's Office and the courses added to each student's schedule.

# ACADEMIC INFORMATION

## CLASS RATINGS FOR UNDERGRADUATES

For academic purposes, classification as freshman, sophomore, junior, or senior depends on the number of credit hours completed. The minimum number of hours required for each level, which depends on the undergraduate college, are as follows:

### College of Arts & Letters

(120 credits for degree)

Level 2	Sophomore	24 credits
Level 3	Junior	54 credits
Level 4	Senior	84 credits

### College of Business Administration

(126 credits for degree)

Level 2	Sophomore	24 credits
Level 3	Junior	54 credits
Level 4	Senior	84 credits

### College of Engineering

(134 credits for degree)

(162 credits for Architecture degree)

Level 2	Sophomore	24 credits
Level 3	Junior	60 credits
Level 4	Senior	92 credits
Level 5	5th Year	120 credits

### College of Science

(124 credits for degree)

Level 2	Sophomore	24 credits
Level 3	Junior	56 credits
Level 4	Senior	86 credits

Class rankings are calculated for each undergraduate college. The student's cumulative average is used and includes all courses taken at the University for which a grade was received and credit given. No course may be repeated unless grades of "U" or "F" were received.

## CLASS LOADS

You may **not** register for an overload course schedule without permission from your Dean. If you sign up for an overload schedule during Registration, your entire schedule is liable to cancellation. The number of credits constituting an overload depend on the college as follows:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA	18
EG	18
FY	17
SC	17
GB	15
GR	12
LW	17

The following courses do not count toward the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (chorale), private music lessons, and Urban Plunge.

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered part time. Full-time students, already enrolled in the University, who wish to convert to part-time status must request permission from their dean before the start of the semester in which part-time status is desired.

## ACADEMIC CODE OF HONOR

All undergraduate students, except seniors, are governed by the procedures outlined in the *Academic Code of Honor Handbook*. All courses without any seniors enrolled will follow the provisions outlined in the *Handbook*. Courses with only seniors enrolled will follow these procedures if all the students in the class approve. Courses with seniors and other undergraduates enrolled are governed by the provisions of the Code subject to the discretion of the department offering the course.
