Dr. Daniel H. Winicur  
Dean of Administration and Registrar

This booklet contains an abbreviated list of the courses and room assignments for the Fall 1990 semester. It includes all the changes made since the *Schedule of Courses and Student Academic Information, Fall 1990/91* booklet was published in March 1990. Room assignments changed after August 8 will be posted in the academic departments or announced by the course instructors.

Academic regulations affecting students can be found in the *Schedule of Courses and Student Academic Information*, last published in March 1990. They will be republished in the *Schedule of Courses and Student Academic Information, Spring 1990/91* booklet which will be published in October.

We welcome comments and suggestions about the registration process. These should be directed to me at 215 Main Building (or ext. 5240).

# **REGULATIONS AND POLICIES**

# CONTINUING STUDENTS

## REGISTRATION BY PERMISSION

Obtain authorization for each course requiring permission to register from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each course requiring permission to register, equal to the maximum number of students in the course (listed in the university course schedule portion of this booklet). Write the AN, obtained from the department, on your registration worksheet.

When you register for the course, you will be asked by the telephone voice (or terminal) response for the Authorization Number. If (and only if) your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

## PASS/FAIL OPTION

Juniors and Seniors (only) may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your Dean is required** for all Pass/Fail Course changes. The last day for all Pass/Fail Option changes for the 1990-91 spring semester is January 24, 1991.

You must register for a course before you can choose the Pass/Fail Option.

All Pass/Fail Option changes are processed at your Dean's Office. When your Dean approves your Pass/Fail Option permission (or change), he will enter the information directly into the DART computer. You will not have to come to the Registrar's Office. The registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

## CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your Dean. The number of credits constituting an overload depends on your college or school. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	15
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

You must obtain permission from your Dean to register for more than the maximum number of credits. After granting permission, the Dean will enter your new maximum directly into the DART computer.

## FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time** student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their Dean before the start of the semester in which part-time status is desired. If such permission is granted, the Dean must notify the Office of Student Accounts before the start of the semester.

## RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. Courses can be reserved for departmental majors (or non-majors) or, for example, ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, level, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 20.

If, as registration proceeds, a restriction is removed, it will be noted in the daily report of closed and newly opened sections in *The Observer* and at the Registrar's Office. You can use the unrestricted call back periods, after your appointment has expired, during registration. After registration, you can use DART during normal office hours to select courses that have been opened.

## ENROLLMENT

You must enroll in person. Enrollment Day is Monday, August 27, 1990, between 8:30 a.m. and 3:15 p.m., at the Joyce ACC. After August 27, you must enroll at the Registrar's Office. To enroll, you complete an Enrollment Form: write and/or marksense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return the carbon copy to you. Retain this copy as proof of enrollment.

**Note:** Students who do not enroll by Wednesday, September 5, will be removed from the revised class lists for all of their courses. After this date, a late fee of \$25.00 will be charged to add a student to the class lists.

## COURSE AUDITS

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

Course audits do not appear on undergraduate student transcripts.

# SAINT MARY'S COLLEGE COURSES

## ADDING SAINT MARY'S COURSES

Do not use DART. Notre Dame students are permitted to register for Saint Mary's College courses if space permits and if the course prerequisites are met.

You may add a SMC course on the first day of classes (August 28). Notre Dame students must go to the SMC department offering the course, obtain a SMC add slip, and return it to the Notre Dame Registrar's Office to have the course added to your schedule.

## DROPPING SAINT MARY'S COURSES

SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses through the first seven class days of the semester (through September 5, 1990).

# NEW STUDENTS

---

## INTRODUCTION

This section applies to New Graduate Students, Undergraduate Transfer and Re-admitted Students, and Students returning from Leaves of Absence.

A separate enrollment and course registration process has been arranged to ease your entry or return to the University of Notre Dame. You will receive academic counselling, select courses, and enroll the day before all continuing students enroll.

## STUDENT I.D. CARD

Since you do not have a valid student I.D. card, you must have an I.D. card photograph taken at the Joyce ACC. You will be given temporary I.D. cards at that time. Follow the Student Photo I.D. Card Regulations located on page 16.

## ACADEMIC ADVISING AND REGISTRATION FOR COURSES

You will obtain academic advising and complete your course registration on Friday, August 24, 1990. The DART terminal room in the Registrar's Office (215 Main Building) will be reserved for your use on that day from 9 a.m. to 4:30 p.m. After this period, you will be able to use the DART terminal or telephone system without appointment, to change or to check your academic schedule.

Your two-part registration worksheet should be obtained at your Departmental or Dean's Office. Check your

department regarding advising and obtaining registration materials.

The registration details are the same as described for continuing students and are found on pages 6 and 7.

# **HOW TO USE DART**

The steps that must be followed by continuing students are outlined in this flow-chart. In order to complete each step, refer to the detailed directions following the flow chart.

## ONE

### Organize Your Registration Material

You will need the following to register:

- *Fall 1990-91 Schedule of Courses*
- Registration Appointment Mailer
- DART Worksheet
- PIN (Personal Identification Number)
- Authorization Numbers (AN's) for all Courses by Permission

## TWO

### Complete the DART Worksheet

Check your program requirements and choose your courses and alternates. Enter the following for each course:

- Course Call Number, e.g., 0 4 6 6
- AN (if required), e.g., 1 2 3 4 5 6
- Course Abbreviation, e.g., ARST
- Course Number, e.g., 325S
- Section Number, e.g., 01

Bring the completed worksheet to your advisor to obtain your PIN.

## THREE

### Register

Use any Touchtone Telephone or a terminal in the Registrar's Office.

You may add, drop, audit, or list courses or change the number of credits (variable credit course only).

A voice (or terminal) response will guide you at each step. Follow the instructions.

To end the session, hang up the telephone (or enter \* B Y E on the terminal).

## Step One

### Organize Your Registration Material

You will need the following to register:

- Spring 1990/91 Schedule of Courses
- PIN (Personal Identification Number)
- DART Worksheet
- Registration appointment
- Authorization Numbers (ANs) for "Courses by Permission"

If you have any problems with registration, call the Registrar's Office at 239-7043.

### Caution

You are responsible for the completeness and accuracy of your own registration. Failure to comply with Department, College, and University regulations may jeopardize your graduation.

### Program Requirements

Before selecting courses, read this booklet carefully and:

- Read the descriptions of the courses.
- Review the requirements for your degree.

### Choosing Courses and Sections

Before proceeding, check the COURSE SCHEDULE information in this booklet for:

- Course restrictions
- Need for department permission
- Pre- or corequisites

## Step Two

Complete the  
DART Worksheet  
(sample on page 15)

Use the Program Planning Sheet (back cover) to plan your spring semester schedule. Include alternative courses/sections in case some of the courses/sections you request are closed.

Enter the following information for each course and alternate on the DART Worksheet:

- 4-digit Call Number (e.g., 0466)
- AN (if required)
- Course Abbreviation (e.g., ARST)
- Course Number (e.g., 325S)
- Section Number (e.g., 01)

List those classes for which there are no alternative sections first. Bring the completed worksheet to your advisor to obtain your PIN.

## Step Three

### Register

**Dial DART from any Touchtone Telephone or go to the Terminal Room (215 Main Building)**

**(Bring your completed worksheet)**

To enter DART dial 219-283-3003 from any touchtone telephone or come to the terminal room in the Registrar's Office during your 15 minute appointment.

Your registration session will be cut off 7.5 minutes after you start the session. If you prepare your worksheet in advance, it should take less than 5 minutes to register for classes. You can re-enter DART immediately if there is still time left in your 15 minute appointment. If not, or if you miss your appointment, use any unrestricted add/drop period (M-F, 7 p.m.- 12 midnight; Saturday and Sunday, 9 a.m.-12 midnight) after your appointment is over.

DART will allow you to add, drop or audit a course, review your schedule, or change the number of credits of a variable credit course. To end the session, hang up the telephone or enter \* B Y E [Return] on the terminal.

A voice (or terminal) response will guide you after each entry. Follow the instructions. It is not necessary to wait until the entire message is over. If you know what you want to do, go ahead and do it, even if the message is not finished.

If you make a mistake, you can erase your input by pressing \*# on the telephone or using the backspace key (not the left arrow key) on the terminal.

### Enter Dart

Dial the DART telephone number: 219 - 2 8 3 - 3 0 0 3 (3003 from Dorm phones) or press the return key [Return] on the terminals).

Enter your 9-digit student I.D. number (without dashes or spaces), \*, your 4-digit PIN (obtained from your department), \*, the Semester Code for the semester in which you are registering (e.g., Summer '91, 9 1 0; Fall '91, 9 1 1 Spring '91, 9 0 2), #.

E.g., 0 7 1 2 0 6 5 4 4 \* 1 7 7 6 \* 9 0 1 #.

### To add a Course

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. On the terminal, the return key [Return] is equivalent to the # on the telephone. If you are not already enrolled in the course, DART will assume you want to add the course. DART will confirm that the course has been added, e.g.,

(Student enters 0 4 6 6 #)

*"You have requested Call Number 0466. If you wish to add this Call Number, press the number sign (#)".*

(Student enters #)

*"Art Studio 325S, section 01, has been added to your Spring 1991 schedule. Your total number of credits is 3. Please make a request".*

(Note: DART responses are in italics)

**To add a Course with an Authorization Number**

Enter the 4-digit course Call number followed by \*, the 6-digit Authorization number and #. For example, 0 4 6 6 \* 1 2 3 4 5 6 #.

**To drop a Course**

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. If you are already enrolled in the course, DART will assume you want to drop the course. DART will confirm that the course has been dropped e.g.,

(Student enters 0 4 6 6 #)

*"You have requested Call Number 0466. If you wish to drop this course, press the number (#) sign".*

(Student enters #)

*"Art Studio 325S, section 01, has been dropped from your Spring 19901 schedule. Your total number of credits is 12. Please make a request"*

**To list a course**

Enter 1 followed by #. The first course for which you are registered will be given (voice response on the telephone or a listing on the terminal). You can then dial 2 # to review your second course, 1 # to repeat the first course, or enter another number.

**To audit a course**

If you have not registered for the course, enter a 4-digit course Call number, \* 4 4 4 and #. For example, 0 4 6 6 \* 4 4 4 #.

If you've registered for the course for credit and wish to change to audit, enter the 4-digit course Call number, then \* 4 4 4 and #. For example, 0 4 6 6 \* 4 4 4 #.

If you wish to change an audit course to credit, enter the 4-digit course Call number, \* 5 5 5 and #. For example, 0 4 6 6 \* 5 5 5 #.

**To change the credits of a variable credit course**

To change the number of credits of a variable credit course for which you have already registered, enter the 4-digit course Call number, \*, the number of credits and #. For example, to change a variable credit course from 1 to 2 credits, enter 0 4 6 6 \* 2 #.

**To change the semester**

To change the semester of the session, re-enter the log-on sequence. For example, if you are registering for the Spring 1991 semester and wish to list the courses of the current Fall 1990 semester, enter 0 7 1 2 0 6 5 4 4 \* 1 7 7 6 \* 9 0 1 #.

**To correct a mistake**

Press \*# and start again. On the terminal, use the backspace key (not the left arrow key).

**To end the session**

Just hang up. On the terminal, enter \* B Y E followed by the return key.

**To Exchange a Course  
(Course doesn't require permission)**

Enter the 4-digit course Call Number of the course you wish to drop (e.g., 0466), followed by the Call Number of the course you wish to add (e.g., 4500), followed by #, e.g., 0 4 6 6 4 5 0 0 #. DART will respond with the following message:

"This call number, 0466, will be dropped from your spring 1991 schedule. This call number, 4500, will be added to your spring 1991 schedule. If you wish to cancel, press 1, if you wish to change, press #".

If you pressed "#", and the new course is accessible to you, DART will respond with the following statement:

"This call number, 0466, has been dropped from your spring, 1991 schedule. This call number, 4500, has been added to your spring 1991 schedule."

**To Exchange a Course  
(Course requires permission)**

Enter the 4-digit course Call Number of the course you wish to drop (e.g., 0466), followed by the Call Number of the course you wish to add (e.g., 4500), along with its Authorization Number (e.g., 123456), followed by #, e.g., 0 4 6 6 4 5 0 0 1 2 3 4 5 6 #. DART will respond with the following message:

"This call number, 0466, will be dropped from your spring 1991 schedule. This call number, 4500, will be added to your spring 1991 schedule. If you wish to cancel, press 1, if you wish to change, press #".

If you pressed "#", and the new course is accessible to you, DART will respond with the following statement:

"This call number, 0466, has been dropped from your spring, 1991 schedule. This call number, 4500, has been added to your spring 1991 schedule."

This Worksheet can be used for both telephone and terminal registration. Only a Touch Tone telephone can be used to make entries. Touch Tone telephones have a different tone for each button. Telephones that make no tone or the same tone for each button pressed will not work. If you are using a terminal, ignore those instructions which deal exclusively with telephones.

If you make a mistake, you may erase your input by pressing \*# (telephone) or using the Backspace key (terminal).

**Dial the DART telephone number: 219 - 2 8 3 - 3 0 0 3 (3003 from dorm telephones).**

Enter your 9-digit student I.D. Number (no dashes or spaces), \*, your 4-digit PIN, (obtained from your Department), \*, the semester code for the semester in which you are registering or inquiring (e.g., Spring 1991, 9 0 1; Summer 1991 9 1 0; Fall 1990, 9 0 1; Summer 1990 9 0 0. ## STUDENT PHOTO I.D. CARD REGULATIONS

---

### PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the University library.

The card is issued to you when you first enroll in the University and remains valid until you leave the University. You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

### TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically encoded strip on the back. It is issued to you to use while your photo I.D. card is being prepared.

You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

### TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).

### REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Registrar's Office if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. There will be a \$5.00 non-refundable charge for issuing these temporary cards.

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. There will be a \$15.00 charge for the new card. Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Registrar's Office (239-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

## FAMILY EDUCATION RIGHTS AND PRIVACY ACT DIRECTORY INFORMATION

The University has designated certain information contained in the education records of its students as Directory Information for purposes of the Family Educational Rights and Privacy Act (FERPA).

This includes: (1) full name, (2) address, (3) telephone number, (4) date and place of birth, (5) college, major or level, (6) participation in officially recognized activities and sports, (7) weight and height of members of athletic teams, (8) dates of attendance, (9) full or part-time status, (10) degrees and awards received, (11) the most recent previous educational agency or institution attended by the student, and (12) other similar information such as a photograph.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden its disclosure in writing.

Students wishing to prevent disclosure of the designated directory information must file written notification to this effect with the Registrar's Office by September 5, 1990.

In the event that a letter forbidding disclosure is not filed, the University assumes that the student does not object to the release of the directory information.

---

## TRANSCRIPT REQUESTS

---

All transcript requests must be made in writing. You may fill out a **Transcript Request Form** in the Registrar's Office or send a letter to:

Registrar's Office  
Transcript Clerk  
215 Main Building  
University of Notre Dame  
Notre Dame, IN 46556

The request should include your full name, dates of attendance, social security number, address of person, school or company where transcript is to be sent, your return address, and your signature. **A Transcript cannot be ordered by telephone.** You may send the request by FAX machine instead of mail, however the transcript itself will be mailed. Our fax number is (219) 239-5872.

There is a charge of \$2.00 for each transcript. Requests for transcripts will not be honored if you are financially indebted to the University.

Transcripts are normally mailed directly to the person, school or company you indicated. Transcripts may also be picked up by the student in the Registrar's Office, 2 to 3 days after receipt of the request but will be stamped **ISSUED TO STUDENT**.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, evaluative information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory information** without the student's stated permission as allowed under FERPA (cf., page 17).
