SCHEDULE OF COURSES

with Room Assignments

Spring 1989/90

Publication Date: January 1990

Office of the Dean of Administration and Registrar

A MESSAGE FROM THE REGISTRAR

Dr. Daniel H. Winicur
Dean of Administration and Registrar

This booklet contains an abbreviated list of the courses with room assignments which are being taught in the Spring 1990 semester. It includes all the changes which have been made since the *Schedule of Courses and Student Academic Information, Spring 1989/90* booklet was published in October 1989. Room assignments changed after January 11 will be posted in the academic departments or will be announced by the course instructors.

Complete course information and academic regulations affecting students can be found in the *Schedule of Courses and Student Academic Information, Spring 1989/90* booklet which was published last October. They will be republished in the *Schedule of Courses and Student Academic Information, Fall 1990/91* booklet which will be published in March.

We welcome comments and suggestions about the registration process. These should be directed to me at 215 Main Building (or ext. 5240).

UNIVERSITY COURSE SCHEDULE

GLOSSARY

COURSE ID

Start-End Time

Call No. A unique 4-digit identification number. Use this number to request the course and section in DART.

The starting and ending times of the section.

Dept A three or four letter department or discipline abbreviation. See pages 2 and 3 for a complete listing.

Building Code

No. Each course is identified by a three digit number and, in some cases, with a one letter suffix. The suffixes "A", "B", and "C" are used to distinguish different sections of a course when the approach, content or credit hours differ. "D" indicates a drill or demonstration course; "L" indicates a lab course; "R" is for research courses; "S" is for studio courses; "T" is for tutorial or trailer (off-sequence) courses.

SEC Each section of a course has a unique two-digit section number.
