# DART

Direct Access Registration by Telephone

# A MESSAGE FROM THE REGISTRAR

---

Dr. Daniel H. Winicur  
Dean of Administration & Registrar

This fall we will be using the Direct Access Registration by Telephone (DART) on-line registration system for the fourth time. We continue to receive excellent suggestions for improvements in the DART system and have included as many as possible for this registration.

Registration for the 1991 spring semester will take place between **November 5 and 19, 1990**. After this, DART will continue to be available for adding and dropping courses through the last day for class changes in the spring semester, Thursday, January 24, 1990.

This booklet contains all the information necessary to register for classes. It lists all the courses offered in the fall arranged alphabetically by department and by the time of day the course is offered. Academic regulations affecting students are summarized in this DART book: please keep it as a reference. We will publish an abbreviated schedule of courses, containing section locations, shortly before the beginning of the spring semester.

Terminals are available in the Registrar's Office to provide another way of submitting data to the DART computer. The instructions in this booklet (except those which deal exclusively with telephones) refer to either terminal or telephone input.

We have created a 10-minute video describing DART. It will be shown in the Engineering Auditorium (117 Cushing), on Tuesday, November 6 and Wednesday, November 7, at 7:30 p.m. and 8:00 p.m. If you have not used DART before, be sure to see it at one of these times. Copies of the video will be lent to any group that would like a private showing. Call the Registrar's Office to make arrangements.

Your appointment to use DART during the Registration period (11/5 - 11/19), between 12 noon and 7 p.m., will be mailed to you. After your appointment is over, you can call DART at any time during the unrestricted **add-drop period, Monday - Friday, 7 p.m.-12 midnight; Saturday and Sunday, 9 a.m. - 12 midnight**. The courses and

sections which are added, closed, or reopened will be published in the Observer, the Registrar's Office, and in the departmental offices.

The *DART Course Exchange Option* is described on page 15. After you have dialed DART, you can add one course (call number AAAA) in exchange for another (call number DDDD), even if you have a full course load or the new course has a time conflict with the old one. You can also exchange sections of the same course. DART will check to see if the new course is open, that you meet all its requirements, and whether it conflicts with any other course on your schedule.

You should be aware that Advanced Placement credits are not automatically included in your credit total in the DART system. See your departmental office if you have any questions.

Regulations governing the pass/fail option, auditing, overloads, etc. are discussed on pages 5-9. Plan your schedule carefully before attempting to register.

1. Use the Program Planning sheet (on the back cover) and the DART Registration Worksheet (a sample worksheet is reproduced on page 15).
2. Have several course or section alternatives ready in case some sections are closed.

You must still **ENROLL** during the first week of the spring semester even though you register for classes using DART. Enrollment is discussed on page 8.

At the end of last spring semester, we surveyed a representative sample of students. The results were very helpful in allowing us to improve DART and we plan to repeat this survey at the end of this semester. In the meantime, if you encounter any problems with DART or if you have any suggestions on how to improve it, call us at 239-7043.

## REGISTRATION APPOINTMENTS

Registration appointments for degree-seeking students will be scheduled in order of student level. Within each level, appointments will be made randomly at times which don't conflict with your current class schedule.

The levels and appointment week for post-baccalaureate students are as follows:

Graduate students		level 9	11/5-11/20
Law students	2 <sup>nd</sup> yr	level 7	11/9 -11/14

MBA students	1 <sup>st</sup> yr	level 6	11/15-11/20
	2 <sup>nd</sup> yr	level 7	11/9 -11/14

Undergraduate levels depend on the number of credit hours completed. The minimum number of credit hours required for each level depends on your college as follows:

### College of Arts & Letters (120 credits for degree)

Sophomore	24 cr	level 2	11/15-11/20
Junior	54 cr	level 3	11/9 -11/14

Junior	56 cr	level 3	11/9 -11/14
Senior	86 cr	level 4	11/5 -11/8

A *Registration Appointment Schedule* will be sent to your local address about two weeks before Registration. Make sure the Registrar's Office has your correct local address!

The *Registration Appointment Schedule* contains the time and date of your registration appointment. It also includes the personal data which the Registrar's Office currently has on record and lists the department or college location where you may obtain the Personal Identification Number (PIN) which you will need to gain access to DART.

Your appointment will be a 15 minute period during which you can dial **DART at 219-283-3003 (3003 from the Dorms)** to select courses or you may use the terminals in the Registrar's Office. If you get a busy signal when you call, keep trying. You should be able to get through and obtain your courses during the scheduled time. It should take less than five minutes to register for your courses if you prepare in advance. Your registration session will be cut off after 7.5 minutes. You may re-enter DART immediately if there is still time left in your 15 minute appointment.

Non-degree students can use the add/drop periods starting November 9. All non-degree students must be admitted before they can register for classes.

## STUDENT ADVISING, PIN & WORKSHEET

Make an appointment with your department or college advisor to obtain your unique DART access PIN. A PIN will be generated for each student whom we expect to register and will be valid through January 24, 1991.

The two-part Registration Worksheets will be available in your departmental or college offices (as well as the Registrar's Office). Use them to plan out your class schedule. A sample worksheet is shown on page 16.

The worksheet contains a section for your desired schedule and a space for alternative courses or sections. Bring the worksheet to your advisor when obtaining your PIN. After you and your advisor agree on a proposed schedule, your advisor will retain a copy. Be sure to fill in the Call Number and the Authorization Number (if required) for each course you desire before calling DART.

After Registration, you will be sent a copy of the courses for which you registered. Duplicate copies will also be sent to your department and your Dean's Office. Check with your advisor before making any changes to your schedule after Registration.

## REGISTRATION BY PERMISSION

Obtain authorization for each "Course Requiring Permission to Register" from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Course Requiring Permission to Register", equal to the maximum number of students in the course (listed in the University Course Schedule portion of this booklet). Write the AN, obtained from the department, on your Registration Worksheet.

When you register for the course, you will be asked by the telephone voice (or terminal) response for the Authorization Number. If (and only if) your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

## PASS/FAIL OPTION

Juniors and Seniors (only) may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your Dean is required for all Pass/Fail Course changes.** The last day for all Pass/Fail Option changes for the 1990-91 spring semester is January 24, 1991.

You must register for a course before you can choose the Pass/Fail Option.

All Pass/Fail Option changes are processed at your Dean's Office. When your Dean approves your Pass/Fail Option permission (or change), he will enter the information directly into the DART computer. You will not have to come to the Registrar's Office. The registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

## CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your Dean. The number of credits constituting an overload depends on your college or school. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	15
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

You must obtain permission from your Dean to register for more than the maximum number of credits. After granting permission, the Dean will enter your new maximum directly into the DART computer.

## FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time** student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their Dean before the start of the semester in which part-time status is desired. If such permission is granted, the Dean must notify the Office of Student Accounts before the start of the semester.

## RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. For example, courses can be reserved for departmental majors (or non-majors) or, e.g., ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, level, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 21.

If, as Registration proceeds, a restriction is removed, it will be noted in the daily report of closed and newly opened sections in the Observer and at the Registrar's Office. You can use the unrestricted call back periods, after your appointment has expired, during Registration. After Registration, you can use DART during normal office hours to select courses that have been opened.

## ENROLLMENT

You must enroll in person. Enrollment Day is Tuesday, January 15, 1991, between 8:30 a.m. and 3:15 p.m., at the Joyce ACC. After January 15, you must enroll at the Registrar's Office. To enroll, you complete an Enrollment Form: write and/or mark sense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return the carbon copy to you. Retain this copy as proof of enrollment.

**Note:** Students who do not enroll by Wednesday, January 24, will be removed from the revised class lists for all of their courses. After this date, a late fee of \$25.00 will be charged to add a student to the class lists.

## COURSE AUDITS

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

Course audits do not appear on undergraduate student transcripts.

# SAINT MARY'S COLLEGE COURSES

## ADDING SAINT MARY'S COURSES

DART may be used to add EDUC and RLST courses. Notre Dame students are permitted to register for other Saint Mary's College courses only if space permits and if the course prerequisites are met. To register for other SMC courses, come to the Notre Dame Registrar's Office to fill out a *Saint Mary's Intent* form by November 26. Acceptance into SMC courses is not automatic. Saint Mary's College registration is November 26-28. If accepted, SMC course selections will appear on your schedule after November 30.

You may also add a SMC course on the first day of classes (January 16). Notre Dame students must go to the SMC department offering the course, obtain an SMC add slip, and return it to the Notre Dame Registrar's Office to have the course added to your schedule.

## DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses through the first seven class days of the semester (January 16, 1991 through January 24, 1991).

# NEW STUDENTS

---

## INTRODUCTION

This section applies to New Graduate Students, Undergraduate Transfer and Re-admitted Students, and Students returning from Leaves of Absence.

A separate enrollment and course registration process has been arranged to ease your entry or return to the University of Notre Dame. You will receive academic counselling, select courses, and enroll the day before all continuing students enroll.

## STUDENT I.D. CARD

Since you do not have a valid student I.D. card, you must have an I.D. card photograph taken at the Joyce ACC. You will be given temporary I.D. cards at that time. Follow the Student Photo I.D. Card Regulations located on page 17.

## ACADEMIC ADVISING AND REGISTRATION FOR COURSES

You will obtain academic advising and complete your course registration on January 14, 1991. The DART terminal room in the Registrar's Office (215 Main Building) will be reserved for your use on that day from 9 a.m. to 4:30 p.m. After this period, you will be able to use the DART terminal or telephone system without appointment, to change or to check your academic schedule.

Your two-part Registration Worksheet should be obtained at your Departmental or Dean's Office.

Check your department regarding advising and obtaining registration materials.

The registration details are the same as described for continuing students and are found on pages 6 - 8.

## ENROLLMENT

### Graduate Students

You must enroll in person at the Joyce ACC on January 14, 1991, between noon and 3 p.m.

To enroll, complete an Enrollment Form: write and/or mark sense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return to you the carbon copy. This copy should be retained as proof of enrollment.

### Undergraduate Students

You must enroll in person at the Joyce ACC on January 14, 1991, between 9 a.m. and noon.

To enroll, complete an Enrollment Form: write and/or mark sense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return to you the carbon copy. This copy should be retained as proof of enrollment.

# **HOW TO USE DART**

The steps that must be followed by continuing students are outlined in this flow-chart. In order to complete each step, refer to the detailed directions following the flow chart.

---

## ONE

### Organize Your Registration Material

You will need the following to register:

- Spring 1990-91 Schedule of Courses
- Registration Appointment Mailer
- DART Worksheet
- PIN (Personal Identification Number)
- Authorization Numbers (AN's) for all Courses by Permission

## TWO

### Complete the DART Worksheet

Check your program requirements and choose your courses and alternates. Enter the following for each course:

- Course Call Number, e.g., 0 4 6 6
- AN (if required), e.g., 1 2 3 4 5 6
- Course Abbreviation, e.g., ARST
- Course Number, e.g., 325S
- Section Number, e.g., 01

Bring the completed worksheet to your advisor to obtain your PIN.

## THREE

### Register

Use any Touchtone Telephone or a terminal in the Registrar's Office.

You may add, drop, audit, or list courses or change the number of credits (variable credit course only). You may exchange one course for another.

A voice (or terminal) response will guide you at each step. Follow the instructions.

To end the session, hang up the telephone (or enter \* B Y E on the terminal).

These Directions apply to both telephone and terminal registration.  
If you are using the terminals, ignore those instructions which deal exclusively with telephones.  
The return key [Return] on the terminals is equivalent to the # sign on telephones.

---

## Step One

### Organize Your Registration Material

You will need the following to register:

- Spring 1990/91 Schedule of Courses
- PIN (Personal Identification Number)
- DART Worksheet
- Registration appointment
- Authorization Numbers (ANs) for "Courses by Permission"

If you have any problems with registration, call the Registrar's Office at 239-7043.

You are responsible for the completeness and accuracy of your own registration. Failure to comply with Department, College, and University regulations may jeopardize your graduation.

### Caution

### Program Requirements

Before selecting courses, read this booklet carefully and:

- Read the descriptions of the courses.
- Review the requirements for your degree.

### Choosing Courses and Sections

Before proceeding, check the COURSE SCHEDULE information in this booklet for:

- Course restrictions
- Need for department permission
- Pre- or corequisites

Use the Program Planning Sheet (back cover) to plan your spring semester schedule. Include alternative courses/sections in case some of the courses/sections you request are closed.

## Step Two

Complete the  
DART Worksheet  
(sample on page 15)

Enter the following information for each course and alternate on the DART Worksheet:

- 4-digit Call Number (e.g., 0466)
- AN (if required)
- Course Abbreviation (e.g., ARST)
- Course Number (e.g., 325S)
- Section Number (e.g., 01)

List those classes for which there are no alternative sections first. Bring the completed worksheet to your advisor to obtain your PIN.

## Step Three

### Register

**Dial DART from any Touchtone Telephone or go to the Terminal Room (215 Main Building)**

(Bring your completed worksheet)

To enter DART dial 219-283-3003 from any touchtone telephone or come to the terminal room in the Registrar's Office during your 15 minute appointment.

Your registration session will be cut off 7.5 minutes after you start the session. If you prepare your worksheet in advance, it should take less than 5 minutes to register for classes. You can re-enter DART immediately if there is still time left in your 15 minute appointment. If not, or if you miss your appointment, use any unrestricted add/drop period (M-F, 7 p.m.- 12 midnight; Saturday and Sunday, 9 a.m.-12 midnight) after your appointment is over.

DART will allow you to add, drop, exchange, or audit a course, review your schedule, or change the number of credits of a variable credit course. To end the session, hang up the telephone or enter \* B Y E [Return] on the terminal.

A voice (or terminal) response will guide you after each entry. Follow the instructions. It is not necessary to wait until the entire message is over. If you know what you want to do, go ahead and do it, even if the message is not finished.

If you make a mistake, you can erase your input by pressing \*# on the telephone or using the backspace key (not the left arrow key) on the terminal.

### Enter Dart

Dial the DART telephone number: 219 - 2 8 3 - 3 0 0 3 (3003 from Dorm phones) or press the return key [Return] on the terminals).

Enter your 9-digit student I.D. number (without dashes or spaces), \*, your 4-digit PIN (obtained from your department), \*, the Semester Code for the semester in which you are registering (e.g., Summer '91, 9 1 0; Fall '91, 9 1 1 Spring '91, 9 0 2), #.  
E.g., 0 7 1 2 0 6 5 4 4 \* 1 7 7 6 \* 9 0 1 #.

### To add a Course

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. On the terminal, the return key [Return] is equivalent to the # on the telephone. If you are not already enrolled in the course, DART will assume you want to add the course. DART will confirm that the course has been added, e.g.,

(Student enters 0 4 6 6 #)

*"You have requested Call Number 0466. If you wish to add this Call Number, press the number sign (#)".*

(Student enters #)

*"Art Studio 325S, section 01, has been added to your Spring 1991 schedule. Your total number of credits is 3. Please make a request".*

(Note: DART responses are in italics)

**To add a Course with an Authorization Number**

Enter the 4-digit course Call number followed by \* , the 6-digit Authorization number and #.  
For example, 0 4 6 6 \* 1 2 3 4 5 6 #.

**To drop a Course**

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. If you are already enrolled in the course, DART will assume you want to drop the course. DART will confirm that the course has been dropped e.g.,

(Student enters 0 4 6 6 #)

*"You have requested Call Number 0466. If you wish to drop this course, press the number (#) sign".*

(Student enters #)

*"Art Studio 325S, section 01, has been dropped from your Spring 1990 schedule. Your total number of credits is 12. Please make a request"*

**To list a course**

Enter 1 followed by #. The first course for which you are registered will be given (voice response on the telephone or a listing on the terminal). You can then dial 2 # to review your second course, 1 # to repeat the first course, or enter another number.

**To audit a course**

If you have not registered for the course, enter a 4-digit course Call number, \* 4 4 4 and #. For example, 0 4 6 6 \* 4 4 4 #.

If you've registered for the course for credit and wish to change to audit, enter the 4-digit course Call number, then \* 4 4 4 and #. For example, 0 4 6 6 \* 4 4 4 #.

If you wish to change an audit course to credit, enter the 4-digit course Call number, \* 5 5 5 and #. For example, 0 4 6 6 \* 5 5 5 #.

**To change the credits of a variable credit course**

To change the number of credits of a variable credit course for which you have already registered, enter the 4-digit course Call number, \* , the number of credits and #. For example, to change a variable credit course from 1 to 2 credits, enter 0 4 6 6 \* 2 #.

**To change the semester**

To change the semester of the session, re-enter the log-on sequence. For example, if you are registering for the Spring 1991 semester and wish to list the courses of the current Fall 1990 semester, enter  
0 7 1 2 0 6 5 4 4 \* 1 7 7 6 \* 9 0 1 #.

**To correct a mistake**

Press \*# and start again. On the terminal, use the backspace key (not the left arrow key).

**To end the session**

Just hang up. On the terminal, enter \* B Y E followed by the return key.

### To Exchange a Course

Enter the 4-digit course Call Number of the course you wish to drop (e.g., 0466), followed by the Call Number of the course you wish to add (e.g., 4500), followed by \* 0 #, e.g., 0 4 6 6 4 5 0 0 \* 0 #. DART will respond with the following message:

*"This call number, 0466, will be dropped from your spring 1991 schedule. This call number, 4500, will be added to your spring 1991 schedule. If you wish to cancel, press 1, if you wish to change, press #".*

If you pressed "#", and the new course is accessible to you, DART will respond with the following statement:

*"This call number, 0466, has been dropped from your spring, 1991 schedule. This call number, 4500, has been added to your spring 1991 schedule."*

## DART WORKSHEET

This Worksheet can be used for both telephone and terminal registration. Only a Touch Tone telephone can be used to make entries. Touch Tone telephones have a different tone for each button. Telephones that make no tone or the same tone for each button pressed will not work. If you are using a terminal, ignore those instructions which deal exclusively with telephones.

A voice or terminal response will guide you after each entry. Follow the instructions. It is not necessary to wait for the end of the message. As soon as you know what you want to do, you may start. Each action sequence must end with a # (telephone) or the Return key (terminal).

If you make a mistake, you may erase your input by pressing \*# (telephone) or using the Backspace key (terminal).

# STUDENT PHOTO I.D. CARD REGULATIONS

## PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the University library.

The card is issued to you when you first enroll in the University and remains valid until you leave the University. **You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.**

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

## TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared.

You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

## TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. **You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).**

## REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Registrar's Office if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. **There will be a \$5.00 non-refundable charge for issuing these temporary cards.**

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. **There will be a \$15.00 charge for the new card.** Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Registrar's Office (239-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **evaluative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory** information without the student's stated permission as allowed under FERPA (cf., page 17).
