ACADEMIC INFORMATION

STUDENT PHOTO I.D. CARD REGULATIONS

PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the University library.

The card is issued to you when you first enroll in the University and remains valid until you leave the University. You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared.

You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-Dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).

REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Registrar's Office if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. There will be a \$5.00 non-refundable charge for issuing these temporary cards.

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. There will be a \$15.00 charge for the new card. Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Registrar's Office (239-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT DIRECTORY INFORMATION

The University has designated certain information contained in the education records of its students as Directory Information for purposes of the Family Educational Rights and Privacy Act (FERPA).

This includes: (1) full name, (2) address, (3) telephone number, (4) date and place of birth, (5) college, major or level, (6) participation in officially recognized activities and sports, (7) weight and height of members of athletic teams, (8) dates of attendance, (9) full or part-time status, (10) degrees and awards received, (11) the most recent previous educational agency or institution attended by the student, and (12) other similar information such as a photograph.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden its disclosure in writing.

Students wishing to prevent disclosure of the designated directory information must file written notification to this effect with the Registrar's Office.

In the event that such written notification is not filed, the University assumes that the student does not object to the release of the directory information.

TRANSCRIPT REQUESTS

All transcript requests must be made in writing. You may fill out a **Transcript Request Form** in the Registrar's Office or send a letter to:

Registrar's Office
Transcript Clerk
215 Main Building
University of Notre Dame
Notre Dame, IN 46556

The request should include your full name, dates of attendance, social security number, address of person, school or company where transcript is to be sent, your return address, and your signature. A Transcript cannot be ordered by telephone. You may send the request by FAX machine instead of mail, however the transcript itself will be mailed. Our FAX number is (219) 239-5872.

There is a charge of \$2.00 for each transcript. Requests for transcripts will not be honored if you are financially indebted to the University.

Transcripts are normally mailed directly to the person, school or company you indicated. Transcripts may also be picked up by the student in the Registrar's Office 2 to 3 days after receipt of the request, but will be stamped **ISSUED TO STUDENT**.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **evaluative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory information** without the student's stated permission as allowed under The Family Education Rights & Privacy Act.
