Direct Access Registration by Telephone

# A MESSAGE FROM THE REGISTRAR

---

Dr. Andrew L. Hollander  
Interim Registrar

By the time you read this, Harold Pace will be our new University Registrar. As students, you will probably not see any major changes immediately. However, Dr. Pace is committed to continuing the improvements in our quality and service. Please help us welcome our new registrar.

This fall we will be using the Direct Access Registration by Telephone (DART) on-line registration system for the fifth time. We continue to receive excellent suggestions for improvements in the DART system and have included as many as possible for this registration. This year we have added a feature that will keep courses from opening up immediately when a person has dropped from a previously closed course. The course will be opened up during the open registration period the day the course is announced to be reopened in the Observer.

Registration appointments for the 1992 Spring Semester will take place from November 11 through 26, 1991. After November 26th, DART will continue to be available for adding and dropping courses through the last day for class changes in the spring semester, Thursday, January 23, 1992.

This booklet contains all the information necessary to register for classes. Many of the academic regulations affecting students are summarized in this DART book; please keep it as a reference (for more detail, please refer to the du Lac. We will publish an abbreviated schedule of courses, containing section locations, shortly before the beginning of the spring semester.

As always, terminals are available in the Registrar's Office to provide another way of registering with DART. The instructions in this booklet (except those which deal exclusively with telephones) refer to either terminal or telephone input.

Your appointment to use DART during the Registration period (11/11 - 11/26), between 12 noon and 6 p.m., will be mailed to you. After your appointment is over, you can call DART at any time during the unrestricted add-drop period, Monday - Thursday 7 p.m.-12 midnight; 7 p.m. Friday through 4 p.m. Sunday. The courses and sections which are added, closed, or reopened will be published in the Observer, posted in the Registrar's Office, and in the departmental offices.

The DART Course Exchange Option is described on page 15. After you have dialed DART, you can add one course (call number AAAA) in exchange for another (call number DDDD), even if you have a full course load or the new course has a time conflict with the old one. You can also exchange sections of the same course. DART will check to see if the new course is open, that you meet all its requirements, and whether it conflicts with any other course on your schedule.

Regulations governing the pass/fail option, auditing, overloads, etc. are discussed on pages 5-9. Plan your schedule carefully before attempting to register.

1. Use the DART Registration Work Sheet (a sample work sheet is reproduced on page 16).
2. Have several course or section alternatives ready in case some sections are closed.

You must still ENROLL during the first week of the spring semester even though you register for classes using DART. Enrollment is discussed on page 8.

We look forward to serving you in the next semester. If you encounter any problems with DART or if you have suggestions on how to improve our procedures, please write us or call 239-7043.

# CONTINUING STUDENTS

## REGISTRATION APPOINTMENTS

Registration appointments for degree-seeking students will be scheduled in order of student level. Within each level, appointments will be made randomly at times which don't conflict with your current class schedule.

The levels and appointment week for post-baccalaureate students are as follows:

Graduate students		level 9	11/11-11/26
Law students	2 <sup>nd</sup> yr	level 7	11/15 -11/20
	3 <sup>rd</sup> yr	level 8	11/11 -11/14
MBA students	1 <sup>st</sup> yr	level 6	11/21-11/26
	2 <sup>nd</sup> yr	level 7	11/15 -11/20

Undergraduate levels depend on the number of credit hours completed. The minimum number of credit hours required for each level depends on your college as follows:

### College of Arts & Letters (120 credits for degree)

Sophomore	24 cr	level 2	11/21-11/26
Junior	54 cr	level 3	11/15 -11/20
Senior	84 cr	level 4	11/11 -11/14

### College of Business Administration (126 credits for degree)

Sophomore	24 cr	level 2	11/21-11/26
Junior	54 cr	level 3	11/15 -11/20
Senior	84 cr	level 4	11/11 -11/14

### College of Engineering (134 credits for degree) (162 credits for Architecture degree)

Sophomore	24 cr	level 2	11/21-11/26
Junior	60 cr	level 3	11/15 -11/20
Senior	92 cr	level 4	11/11 -11/14
5th Year	120 cr	level 5	11/11 -11/14

### College of Science (124 Credits for degree)

Sophomore	24 cr	level 2	11/21-11/26
Junior	56 cr	level 3	11/15 -11/20
Senior	86 cr	level 4	11/11 -11/14

A *Registration Appointment Schedule* will be sent to your local address about two weeks before Registration. Make sure the Registrar's Office has your correct local address!

The *Registration Appointment Schedule* contains the time and date of your registration appointment. It also includes the personal data which the Registrar's Office currently has on record and lists the department or college location where you may obtain the Personal Identification Number (PIN) which you will need to gain access to DART.

Your appointment will be a 15 minute period during which you can dial **DART** at **219-283-3003** (3003 from the Dorms) to select courses or you may use the terminals in the Registrar's Office. If you get a busy signal when you call, keep trying. You should be able to get through and obtain your courses during the scheduled time. It should take less than five minutes to register for your courses if you prepare in advance. Your registration session will be cut off after 7.5 minutes. You may re-enter DART immediately if there is still time left in your 15 minute appointment.

## STUDENT ADVISING, PIN & WORKSHEET

Make an appointment with your department or college advisor to obtain your unique DART access PIN. A PIN will be generated for each student whom we expect to register and will be valid through January 23, 1992.

The two-part Registration Worksheets will be available in your departmental or college offices (as well as the Registrar's Office). Use them to plan out your class schedule. A sample worksheet is shown on page 16.

The worksheet contains a section for your desired schedule and a space for alternative courses or sections. Bring the worksheet to your advisor when obtaining your PIN. After you and your advisor agree on a proposed schedule, your advisor will retain a copy. Be sure to fill in the Call Number and the Authorization Number (if required) for each course you desire before calling DART.

After Registration, you will be sent a copy of the courses for which you registered. Duplicate copies will also be sent to your department and your Dean's Office. Check with your advisor before making any changes to your schedule after Registration.

## REGISTRATION BY PERMISSION

Obtain authorization for each "Permission Required" course from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Course Requiring Permission to Register", equal to the maximum number of students in the course (listed in the University Course Schedule portion of this booklet). Write the AN, obtained from the department, on your Registration Worksheet.

To register for a permission required course enter the call number, \*, AN, # sign. If (and only if) your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

Note: The AN is good for one use only. If you drop a course that required an AN, a new AN will be necessary to re-add it.

## PASS/FAIL OPTION

Juniors and Seniors (only) may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your Dean is required for all Pass/Fail Course changes.** The last day for all Pass/Fail Option changes for the 1991-92 spring semester is January 23, 1992.

You must register for a course before you can choose the Pass/Fail Option.

All Pass/Fail Option changes are processed at your Dean's Office. When your Dean approves your Pass/Fail Option (or change), they will enter the information directly into the DART computer. You will not have to come to the Registrar's Office. The registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

## CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your Dean. The number of credits constituting an overload depends on your college or school. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	16
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

You must obtain permission from your Dean to register for more than the maximum number of credits. After granting permission, the Dean will enter your new maximum directly into the DART computer.

## FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time** student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their Dean before the start of the semester in which part-time status is desired. If such permission is granted, the Dean must notify the Office of Student Accounts before the start of the semester.

## RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. For example, courses can be reserved for departmental majors (or non-majors) or, e.g., ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, level, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 20.

If, as Registration proceeds, a restriction is removed, it will be noted in the daily report of closed and newly opened sections in the Observer and at the Registrar's Office. You can use the unrestricted call back periods, after your appointment has expired, during Registration. After Registration, you can use DART from Monday through Thursday from 12 noon to 12 midnight, and from 12 noon on Friday until 4:00 p.m. Sunday to select courses that have been opened.

## ENROLLMENT

You must enroll in person. Enrollment Day is Tuesday, January 14, 1992, between 8:30 a.m. and 3:15 p.m., at the Joyce ACC. After January 14, you must enroll at the Registrar's Office. To enroll, you complete an Enrollment Form: write and/or mark sense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return the carbon copy to you. Retain this copy as proof of enrollment.

**Note:** Students who do not enroll by Wednesday, January 23, will be removed from the revised class lists for all of their courses. After this date, a late fee of \$25.00 will be charged to add a student to the class lists.

## COURSE AUDITS

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

Course audits do not appear on undergraduate student transcripts.

# SAINT MARY'S COLLEGE COURSES

## ADDING SAINT MARY'S COURSES

DART may be used to add EDUC and RLST courses. Notre Dame students are permitted to register for other Saint Mary's College courses if space permits and if the course prerequisites are met. To register for other SMC courses, come to the Notre Dame Registrar's Office to fill out a *Saint Mary's Intent* form by November 20. Acceptance into SMC courses is not automatic. Saint Mary's College registration is November 20-22. If accepted, SMC course selections will appear on your schedule after November 26.

You may also add a SMC course on the first day of classes (January 15). Notre Dame students must go to the SMC department offering the course, obtain an SMC add slip, and return it to the Notre Dame Registrar's Office.

## DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses through the first seven class days of the semester, January 23, 1992.

# NEW STUDENTS

---

## INTRODUCTION

This section applies to New Graduate Students, Undergraduate Transfer and Re-admitted Students, and Students returning from Leaves of Absence.

A separate enrollment and course registration process has been arranged to ease your entry or return to the University of Notre Dame. You will receive academic counselling, select courses, and enroll the day before all continuing students enroll.

## STUDENT I.D. CARD

Since you do not have a valid student I.D. card, you must have an I.D. card photograph taken at the Joyce ACC. You will be given temporary I.D. cards at that time. Follow the Student Photo I.D. Card Regulations located on page 18.

## ACADEMIC ADVISING AND REGISTRATION FOR COURSES

You will obtain academic advising and complete your course registration on January 13, 1992. The DART terminal room in the Registrar's Office (215 Main Building) will be reserved for your use on that day from 9 a.m. to 4:30 p.m. After this period, you will be able to use the DART terminal or telephone system without appointment, to change or to check your academic schedule.

Your two-part Registration Worksheet should be obtained at your Departmental or Dean's Office. Check with your department regarding advising and obtaining registration materials.

The registration details are the same as described for continuing students and are found on pages 6 - 8.

## ENROLLMENT

### Graduate Students

You must enroll in person at the Joyce ACC on January 13, 1992, between noon and 3 p.m.

To enroll, complete an Enrollment Form: write and/or marksense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return to you the carbon copy. This copy should be retained as proof of enrollment.

### Undergraduate Students

You must enroll in person at the Joyce ACC on January 13, 1992, between 9 a.m. and noon.

To enroll, complete an Enrollment Form: write and/or marksense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return to you the carbon copy. This copy should be retained as proof of enrollment.

# **HOW TO USE DART**

The steps that must be followed by continuing students are outlined in this flow-chart. In order to complete each step, refer to the detailed directions following the flow chart.

---

## ONE

### Organize Your Registration Material

You will need the following to register:

- Spring 1991-92 Schedule of Courses
- Registration Appointment Mailer
- DART Worksheet
- PIN (Personal Identification Number)
- Authorization Numbers (AN's) for all Courses by Permission

## TWO

### Complete the DART Worksheet

Check your program requirements and choose your courses and alternates. Enter the following for each course:

- Course Call Number, e.g., 0 4 6 6
- AN (if required), e.g., 1 2 3 4 5 6
- Course Abbreviation, e.g., ARST
- Course Number, e.g., 325S
- Section Number, e.g., 01

Bring the completed worksheet to your advisor to obtain your PIN.

## THREE

### Register

Use any Touchtone Telephone or a terminal in the Registrar's Office.

You may add, drop, audit, or list courses or change the number of credits (variable credit course only). You may exchange one course for another.

A voice (or terminal) response will guide you at each step. Follow the instructions.

To end the session, hang up the telephone (or enter \* B Y E on the terminal).

These Directions apply to both telephone and terminal registration.  
If you are using the terminals, ignore those instructions which deal exclusively with telephones.  
The return key [Return] on the terminals is equivalent to the # sign on telephones.

---

## Step One

### Organize Your Registration Material

You will need the following to register:

- Spring 1991/92 Schedule of Courses
- PIN (Personal Identification Number)
- DART Worksheet
- Registration appointment
- Authorization Numbers (ANs) for "Courses by Permission"

If you have any problems with registration, call the Registrar's Office at 239-7043.

### Caution

**You are responsible for the completeness and accuracy of your own registration. Failure to comply with Department, College, and University regulations may jeopardize your graduation.**

### Program Requirements

Before selecting courses, read this booklet carefully and:

- Read the descriptions of the courses.
- Review the requirements for your degree.

### Choosing Courses and Sections

Before proceeding, check the COURSE SCHEDULE information in this booklet for:

- Course restrictions
- Need for department permission
- Pre- or corequisites

## Step Two

Enter the following information for each course and alternate on the DART Worksheet:

- 4-digit Call Number (e.g., 0466)
- AN (if required)

**Complete the  
DART Worksheet  
(sample on page 11)**

**List those classes for which there are no alternative sections first. Bring the completed worksheet to your advisor to obtain your PIN.**

## Step Three

### Register

**Dial DART from any Touchtone Telephone or go to the Terminal Room (215 Main Building)**

(Bring your completed worksheet)

To enter DART dial 219-283-3003 from any touchtone telephone or come to the terminal room in the Registrar's Office during your 15 minute appointment.

Your registration session will be cut off 7.5 minutes after you start the session. If you prepare your worksheet in advance, it should take less than 5 minutes to register for classes. You can re-enter DART immediately if there is still time left in your 15 minute appointment.

DART will allow you to add, drop, exchange, or audit a course, review your schedule, or change the number of credits of a variable credit course. To end the session, hang up the telephone or enter \* B Y E [Return] on the terminal.

A voice (or terminal) response will guide you after each entry. Follow the instructions. It is not necessary to wait until the entire message is over. If you know what you want to do, go ahead and do it, even if the message is not finished.

Dial the DART telephone number: 219 - 2 8 3 - 3 0 0 3 (3003 from Dorm phones) or press the return key [Return] on the terminals).

### Enter Dart

Enter your 9-digit student I.D. number (without dashes or spaces), \*, your 4-digit PIN (obtained from your department), \*, the Semester Code for the semester in which you are registering (e.g., Summer '92, 9 2 0; Fall '91, 9 1 1 Spring '92, 9 1 2), #.  
E.g., 0 7 1 2 0 6 5 4 4 \* 1 7 7 6 \* 9 1 2 #.

### To add a Course

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. On the terminal, the return key [Return] is equivalent to the # on the telephone. If you are not already enrolled in the course, DART will assume you want to add the course. DART will confirm that the course has been added, e.g.,

(Student enters 0 4 6 6 #)

*"You have requested Call Number 0466. If you wish to add this Call Number, press the number sign (#)".*

(Student enters #)

*"Art Studio 325S, section 01, has been added to your Spring 1992 schedule. Your total number of credits is 3. Please make a request".*

(Note: DART responses are in italics)

**To add a Course with an Authorization Number**

Enter the 4-digit course Call number followed by \* , the 6-digit Authorization number and #. For example, 0 4 6 6 \* 1 2 3 4 5 6 #.

**To drop a Course**

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. If you are already enrolled in the course, DART will assume you want to drop the course. DART will confirm that the course has been dropped e.g.,

(Student enters 0 4 6 6 #)

*"You have requested Call Number 0466. If you wish to drop this course, press the number (#) sign".*

(Student enters #)

*"Art Studio 325S, section 01, has been dropped from your Spring 1992 schedule. Your total number of credits is 12. Please make a request"*

**To list a course**

Enter 1 followed by #. The first course for which you are registered will be given (voice response on the telephone or a listing on the terminal). You can then dial 2 # to review your second course, 1 # to repeat the first course, or enter another number.

**To audit a course**

If you have not registered for the course, enter a 4-digit course Call number, \* 4 4 4 and #. For example, 0 4 6 6 \* 4 4 4 #.

If you've registered for the course for credit and wish to change to audit, enter the 4-digit course Call number, then \* 4 4 4 and #. For example, 0 4 6 6 \* 4 4 4 #.

If you wish to change an audit course to credit, enter the 4-digit course Call number, \* 5 5 5 and #. For example, 0 4 6 6 \* 5 5 5 #.

**To change the credits of a variables credit course**

To change the number of credits of a variable credit course for which you have already registered, enter the 4-digit course Call number, \* , the number of credits and #. For example, to change a variable credit course from 1 to 2 credits, enter 0 4 6 6 \* 2 #.

**To correct a mistakes**

Press \*# and start again. On the terminal, use the backspace key (not the left arrow key).

**To end the session**

Just hang up. On the terminal, enter \* B Y E followed by the return key.

**To Exchange a Course** Enter the 4-digit course Call Number of the course you wish to drop (e.g., 0466), followed by the Call Number of the course you wish to add (e.g., 4500), followed by #, e.g., 0 4 6 6 4 5 0 0 #. DART will respond with the following message:

*"This call number, 0466, will be dropped from your spring 1992 schedule. This call number, 4500, will be added to your spring 1992 schedule. If you wish to cancel, press 1, if you wish to change, press #".*

If you pressed "#", and the new course is accessible to you, DART will respond with the following statement:

*"This call number, 0466, has been dropped from your spring, 1992 schedule. This call number, 4500, has been added to your spring 1992 schedule."*

Name: \_\_\_\_\_  
ID #: \_\_\_\_\_

This Worksheet can be used for both telephone and terminal registration. Only a Touch Tone telephone can be used to make entries. Touch Tone telephones have a different tone for each button. Telephones that make no tone or the same tone for each button pressed will not work. If you are using a terminal, ignore those instructions which deal exclusively with telephones.

**If you make a mistake, you may erase your input by pressing \*# (telephone) or using the Backspace key (terminal).**

**Dial the DART telephone number: 219 - 2 8 3 - 3 0 0 3 (3003 from dorm telephones).**

Enter your 9-digit student I.D. Number (no dashes or spaces), \*, your 4-digit PIN, (obtained from your Department), \*, the semester code for the semester in which you are registering or inquiring (e.g., Spring 1992, 9 1 2; Summer 1992 9 2 0; Fall 1991, 9 1 1. For example, 0 7 1 2 0 6 5 4 4 \* 1 7 7 6 \* 9 1 2 #.

# STUDENT PHOTO I.D. CARD REGULATIONS

---

## PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the University library.

The card is issued to you when you first enroll in the University and remains valid until you leave the University. **You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.**

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

## TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared.

You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

## TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-Dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. **You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).**

## REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Registrar's Office if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. **There will be a \$5.00 non-refundable charge for issuing these temporary cards.**

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. **There will be a \$15.00 charge for the new card.** Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Registrar's Office (239-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

## FAMILY EDUCATION RIGHTS AND PRIVACY ACT DIRECTORY INFORMATION

The University has designated certain information contained in the education records of its students as Directory Information for purposes of the Family Educational Rights and Privacy Act (FERPA).

This includes: (1) full name, (2) address, (3) telephone number, (4) date and place of birth, (5) college, major or level, (6) participation in officially recognized activities and sports, (7) weight and height of members of athletic teams, (8) dates of attendance, (9) full or part-time status, (10) degrees and awards received, (11) the most recent previous educational agency or institution attended by the student, and (12) other similar information such as a photograph.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden its disclosure in writing.

Students wishing to prevent disclosure of the designated directory information must file written notification to this effect with the Registrar's Office.

In the event that such written notification is not filed, the University assumes that the student does not object to the release of the directory information.

## TRANSCRIPT REQUESTS

All transcript requests must be made in writing. You may fill out a **Transcript Request Form** in the Registrar's Office or send a letter to:

Registrar's Office  
Transcript Clerk  
215 Main Building  
University of Notre Dame  
Notre Dame, IN 46556

The request should include your full name, dates of attendance, social security number, address of person, school or company where transcript is to be sent, your return address, and your signature. A Transcript cannot be ordered by telephone. You may send the request by FAX machine instead of mail, however the transcript itself will be mailed. Our FAX number is (219) 239-5872.

There is a charge of \$2.00 for each transcript. Requests for transcripts will not be honored if you are financially indebted to the University.

Transcripts are normally mailed directly to the person, school or company you indicated. Transcripts may also be picked up by the student in the Registrar's Office 2 to 3 days after receipt of the request, but will be stamped **ISSUED TO STUDENT**.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **evaluative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory** information without the student's stated permission as allowed under The Family Education Rights & Privacy Act.

## ADDRESS CHANGES

Report changes in your home or off campus local addresses and telephone number(s) to the Registrar's Office, 215 Main Building.

## ACADEMIC CODE OF HONOR

All undergraduate students, including seniors, are governed by the procedures outlined in the *Academic Code of Honor Handbook*. All courses will follow the provisions outlined in the *Handbook*.

## ADDITIONAL ACADEMIC INFORMATION

### CLASS RANKINGS

Class rankings are calculated separately for each undergraduate college and level. Cumulative averages are used and include all courses taken at Notre Dame for which a grade was received and credit given.

### REPEATED COURSES

No course may be repeated unless grades of "U" or "F" were received. Both the original grade ("U" or "F") and the repeated grade will appear on the student's transcript.

# GLOSSARY

## COURSE ID

<b>Call No.</b>	A unique 4-digit identification number. Use this number to request the course and section in DART.
<b>Dept.</b>	A two, three or four letter department or discipline abbreviation. See pages 2 and 3 for a complete listing.
<b>No.</b>	Each course is identified by a three digit number and, in some cases, with a one letter suffix. The suffixes "A", "B", and "C" are used to distinguish different sections of a course when the approach, content or credit hours differ. "D" indicates a drill or demonstration course; "L" indicates a lab course; "R" is for research courses; "S" is for studio courses; "T" is for tutorial courses.

## SEC

Each section of a course has a unique two-digit section number.

## Loc. Code

Describes where an off-campus course is taught:

<b>Code</b>	<b>Location</b>
AF	Angers, France
AM	Washington, DC (American. U.)
AW	SMC Around the World
CE	Cairo, Egypt
CH	Tianjin, China
DM	Maynooth, Ireland (SMC)
EU	Europe (Summer only)
IA	Innsbruck, Austria
IM	Innsbruck Austria (MBA Program)
JE	Jerusalem, Israel
LA	London, England (AL Program)
LE	London, England (Law Program)
LG	London, England (EG Program)
LM	London, England (LLM Program)

NJ	Nagoya, Japan
PU	West Lafayette, Indiana
RI	Rome, Italy (Architecture)
RM	Rome, Italy (SMC Campus)
SM	Saint Mary's College
SP	Toledo, Spain
TT	Taipei, Taiwan

## Credit Hours

The number of credit hours associated with the course. "V" indicates a variable credit course. "0.0" is used for non-credit courses receiving grades or for courses which are part of another course and for which no separate grade is to be given.

## EXAM

Denotes the final exam type of the course or section.

C	Courses with non-departmental final exams
D	Upper-class courses having departmental final exams
F	Freshman Year courses having departmental final exams
N	Courses with no final exam

## DAYS

N	Sunday
M	Monday
T	Tuesday
W	Wednesday
H	Thursday
F	Friday
S	Saturday

## Time Start-End

The starting and ending times of the section.

## Instructor

The name(s) of the instructor(s) teaching the section. If no name appears, the instructor will be announced later.

## Comments & Prerequisites

Additional information about the course will be listed here, e.g., beginning and ending dates for mini courses, cross-listed courses, restrictions on enrollment in the course.

Co-requisites: you must sign up for both the course and the corequisite during the same registration session. If you fail to do so either the course or the corequisite will be automatically dropped.

DART will not allow you to register for a course if you do not have the prerequisite(s) for the course.

# COLLEGE OF ARTS AND LETTERS

## DEGREE REQUIREMENTS

Every student graduating with a bachelor of arts degree from the College of Arts and Letters must have a minimum of 40 three-credit courses (120 credit hours). The normal distribution of these courses is described in the following outline.

In sum, the Arts and Letters student must complete one fine arts and one English or American Literature requirement, plus one additional history or social science course beyond the University requirements.

University Requirements	Courses	Arts and Letters Requirements	Courses
Theology	2	Arts & Letters Core	2
Philosophy	2	Literature or Fine Arts *	1
Mathematics	2	History/Social Science	1
Natural Science	2	Language (Depending upon placement)	1- 3

## ENGINEERING DEGREE REQUIREMENTS

Theology	6 credit hours	Mathematics 226: Calculus IV	3 credit hours
Philosophy	6 credit hours	Mathematics 325: Differential Equations	3 credit hours
History	3 credit hours	Chemistry 115 or 117: Gen. Chemistry I	3 or 4 credit hours
English and Freshman Seminar	6 credit hours	Chemistry 116 or 118: Gen. Chemistry II	3 or 4 credit hours
Social Science	3 credit hours	Physics 127: General Physics I	3.5 credit hours
Literature or Fine Arts	3 credit hours	Physics 128: General Physics II	3.5 credit hours
Mathematics 125: Calculus I	4 credit hours	Physics 229: General Physics III	3.5 credit hours
Mathematics 126: Calculus II	4 credit hours	EG 120: Engineering Concepts	3 credit hours
Mathematics 225: Calculus III	3 credit hours		

Total Credit Hours - 131.5-134.5
