## REGISTRATION APPOINTMENTS

Registration appointments for degree-seeking students will be scheduled in order of student level. Within each level, appointments will be made randomly at times which don't conflict with your current class schedule.

The *Registration Appointment Schedule* contains the time and date of your registration appointment. It also includes the personal data which the Registrar's Office currently has on record and lists the department or college location where you may obtain the Personal Identification Number (PIN) which you will need to gain access to DART.

Your appointment will be a 15 minute period during which you can dial DART at 219-634-3003 (3003 from the Dorms) to select courses or you may use the terminals in the Registrar's Office. If you get a busy signal when you call, keep trying. It should take less than five minutes to register for your courses if you prepare in advance. Your registration session will be cut off after 7.5 minutes. You may re-enter DART immediately if there is still time left within your 15 minute appointment. You can use the unrestricted call back periods, after your appointment has expired, during registration. After registration, you can use DART from Monday through Thursday from 12 noon to 12 midnight, and from 12 noon on Friday until 4:00 p.m. Sunday to select courses or ones that have been opened.

## STUDENT ADVISING, PIN, & WORKSHEET

Make an appointment with your department or college advisor to obtain your unique DART access PIN. A PIN will be generated for each student whom we expect to register and will be valid through September 8, 1993. (Students returning from an Official Leave of Absence should contact the dean of their college to obtain their PIN and to arrange for advising).

A Registration Worksheet is shown on page 15.

The worksheet contains a section for your desired schedule and a space for alternative courses or sections. Bring the worksheet to your advisor when obtaining your PIN. Be sure to fill in the Call Number and the Authorization Number (if required) for each course you desire before calling DART.

After Registration, you will be sent a copy of the courses for which you registered. Duplicate copies will also be sent to your department and your Dean's Office. Check with your advisor before making any changes to your schedule after Registration.

## REGISTRATION BY PERMISSION

Obtain authorization for each "Permission Required" course from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Course Requiring Permission to Register". Write the AN, obtained from the department offering the course, on your Registration Worksheet.

Directions for registering for a permission required course are on page 13. If your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

Note: The AN is good for one use only. If you drop a course that required an AN, a new AN will be necessary to re-add it.

## PASS/FAIL OPTION

Juniors and Seniors only may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your dean is required.** The last day for all Pass/Fail Option changes for the 1993 fall semester is September 8, 1993.

You must register for the course before you can choose the Pass/Fail Option. All Pass/Fail Option changes are processed at your Dean's Office.

When your dean approves your Pass/Fail Option (or change), they will enter the information directly into the DART computer (you will not have to come to the Registrar's Office). At final grade time, the registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

## CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your dean. The number of credits constituting an overload depends on your college or school. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	16
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

**Permission from your dean is required** to register for more than the maximum number of credits. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired courses.

## FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time student**. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their dean before the start of the semester in which part-time status is desired. If such permission is granted, the dean must notify the Office of Student Accounts before the start of the semester.

## RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. For example, courses can be reserved for departmental majors (or non-majors) or, e.g., ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, concentration, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 18.

If, as registration proceeds, a restriction is removed, it will be noted in the daily report of closed and newly opened sections in the Observer and at the Registrar's Office.

## ENROLLMENT

You must enroll in person. Enrollment Day is Monday, August 30, 1993, between 8:30 a.m. and 3:15 p.m., at the Joyce ACC. After August 30, you must enroll at the Registrar's Office.

To enroll, you complete an Enrollment Form: write and/or marksense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return the carbon copy to you. Retain this copy as proof of your enrollment.

Note: Students who do not enroll by Wednesday, September 8, will be removed from their courses. After this date, a late fee of \$25.00 will be charged to add a student to the class lists.

## COURSE AUDITS

Only graduate students are permitted to audit.

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

# SAINT MARY'S COLLEGE COURSES

## ADDING SAINT MARY'S COURSES

DART may be used to add selected DANC, EDUC, RLST, and THTR courses listed in this book.

Notre Dame students are permitted to register for other Saint Mary's College courses if space permits and if the course prerequisites are met.

To register for other SMC courses, come to the Notre Dame Registrar's Office to fill out a *Saint Mary's Intent* form by April 16. Acceptance into SMC courses is not automatic. Saint Mary's College registration is April 19-21. If accepted, SMC course selections will appear on your schedule after April 30.

You may also add a SMC course through the first seven class days (until September 8, 1993). Notre Dame students must go to the SMC department offering the course, obtain departmental signature of approval on an SMC add slip, and return it to the Notre Dame Registrar's Office.

## DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses through the first seven class days of the semester (until September 8, 1993).

# NEW STUDENTS

## INTRODUCTION

This section applies to New Graduate Students, Undergraduate Transfer, and Re-admitted Students.

A separate enrollment and course registration process has been arranged to ease your entry or return to the University of Notre Dame. You will receive academic counselling, select courses, and enroll the day before all continuing students enroll.

## ACADEMIC ADVISING

Contact your department regarding any academic advising.

## ENROLLMENT

You must enroll for each semester you wish to receive credit at the University of Notre Dame. This is the official notification that you are in attendance for that particular semester.

Enrollment will take place at the JACC on Friday, August 27, at the following times:

GRADUATES: 9:00 a.m. to noon.

UNDERGRADUATES: noon to 3:00 p.m.

To enroll, write and/or marksense on the Enrollment Form all the pertinent information requested. Sign the completed form and give it to an enrollment clerk, who will retain the top copy, and stamp and return to you the carbon copy. Retain your copy.

## STUDENT I.D. CARD

Since you do not have a valid I.D. card, you must have an I.D. card photograph taken at the Joyce ACC. You will be given temporary I.D. cards at that time. Follow the Student Photo I.D. Card Regulations located on page 16.

## REGISTRATION FOR COURSES

You will receive your Personal Identification Number (PIN), to access the computerized registration system (DART), with your I.D. card packet at the time you enroll.

To register for classes you may use any touch tone telephone or the DART terminal room in the Office of the Registrar (215 Main Building) which will be reserved for your use on Friday, August 27, 1993 from 9:00 a.m. to 4:30 p.m. After this date you will be able to use the DART telephone or terminal system, to change or check your academic schedule, without an appointment.

The registration instructions and times for DART are listed in the registration information section (pages 6-7).

# **HOW TO USE DART**

The return key [Return] on the terminal is equivalent to the # sign on the telephone

## DART WORKSHEET

This Worksheet can be used for both telephone and terminal registration. Only a Touch Tone telephone can be used to make entries. Touch Tone telephones have a different tone for each button. Telephones that make no tone or the same tone for each button pressed will not work. If you are using a terminal, ignore those instructions which deal exclusively with telephones.

A voice or terminal response will guide you after each entry. Follow the instructions. It is not necessary to wait for the end of the message. As soon as you know what you want to do, you may start. Each action sequence must end with a # (telephone) or the **Return key** (terminal).

If you make a mistake, you may erase your input by pressing \*# (telephone) or using the **Backspace key** (terminal).

### TO ENTER DART
