The *Registration Appointment Schedule* contains the time and date of your registration appointment. It also includes the personal data which the Registrar's Office currently has on record and lists the department or college location where you may obtain the Personal Identification Number (PIN) which you will need to gain access to DART.

Your appointment will be a 15 minute period during which you can dial DART at 219-283-3003 (3003 from the Dorms) to select courses or you may use the terminals in the Registrar's Office. If you get a busy signal when you call, keep trying. It should take less than five minutes to register for your courses if you prepare in advance. Your registration session will be cut off after 7.5 minutes. You may re-enter DART immediately if there is still time left within your 15 minute appointment. You can use the unrestricted call back periods, after your appointment has expired, during registration. After registration, you can use DART from Monday through Thursday from 12 noon to 12 midnight, and from 12 noon on Friday until 4:00 p.m. Sunday to select courses or ones that have been opened.

STUDENT ADVISING, PIN, & WORKSHEET

Make an appointment with your department or college advisor to obtain your unique DART access PIN. A PIN will be generated for each student whom we expect to register and will be valid through January 21, 1993.

A Registration Worksheet is shown on page 15.

The worksheet contains a section for your desired schedule and a space for alternative courses or sections. Bring the worksheet to your advisor when obtaining your PIN. Be sure to fill in the Call Number and the Authorization Number (if required) for each course you desire before calling DART.

After Registration, you will be sent a copy of the courses for which you registered. Duplicate copies will also be sent to your department and your Dean's Office. Check with your advisor before making any changes to your schedule after Registration.

REGISTRATION BY PERMISSION

Obtain authorization for each "Permission Required" course from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Course Requiring Permission to Register". Write the AN, obtained from the department offering the course, on your Registration Worksheet.

Directions for registering for a permission required course are on page 14. If your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

Note: The AN is good for one use only. If you drop a course that required an AN, a new AN will be necessary to re-add it.

PASS/FAIL OPTION

Juniors and Seniors only may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your dean is required.** The last day for all Pass/Fail Option changes for the 1993 spring semester is January 21, 1993.

You must register for the course before you can choose the Pass/Fail Option. All Pass/Fail Option changes are processed at your Dean's Office.

When your dean approves your Pass/Fail Option (or change), they will enter the information directly into the DART computer (you will not have to come to the Registrar's Office). At final grade time, the registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your dean. The number of credits constituting an overload depends on your college or school. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	16
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

Permission from your dean is required to register for more than the maximum number of credits. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired courses.

FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time student**. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their dean before the start of the semester in which part-time status is desired. If such permission is granted, the dean must notify the Office of Student Accounts before the start of the semester.

RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. For example, courses can be reserved for departmental majors (or non-majors) or, e.g., ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, concentration, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 19.

If, as registration proceeds, a restriction is removed, it will be noted in the daily report of closed and newly opened sections in the Observer and at the Registrar's Office.

ENROLLMENT

You must enroll in person. Enrollment Day is Tuesday, January 12, 1993, between 8:30 a.m. and 3:15 p.m., at the Joyce ACC. After January 12, you must enroll at the Registrar's Office.

To enroll, you complete an Enrollment Form: write and/or marksense all the information requested and sign the form. Give the completed form to an enrollment clerk who will retain the top copy and stamp and return the carbon copy to you. Retain this copy as proof of your enrollment.

Note: Students who do not enroll by Thursday, January 21, will be removed from their courses. After this date, a late fee of \$25.00 will be charged to add a student to the class lists.

COURSE AUDITS

Only graduate students are permitted to audit.

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

SAINT MARY'S COLLEGE COURSES

ADDING SAINT MARY'S COURSES

DART may be used to add selected EDUC, RLST, DANC, and THTR courses listed in this book.

Notre Dame students are permitted to register for other Saint Mary's College courses if space permits and if the course prerequisites are met.

To register for other SMC courses, come to the Notre Dame Registrar's Office to fill out a *Saint Mary's Intent* form by November 13. Acceptance into SMC courses is not automatic. Saint Mary's College registration is November 16-18. If accepted, SMC course selections will appear on your schedule after November 30.

You may also add a SMC course on the first day of classes (January 13). Notre Dame students must go to the SMC department offering the course, obtain an SMC add slip, and return it to the Notre Dame Registrar's Office.

DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses through the first seven class days of the semester (until January 21, 1993).

You will need the following to register:

- Spring 1993 Schedule of Courses
- PIN (Personal Identification Number)
- DART Worksheet
- Authorization Numbers (ANs) for "Courses by Permission"

Caution

If you have any problems with registration, call the Registrar's Office at 239-7043.

You are responsible for the completeness and accuracy of your own registration. Failure to comply with Department, College, and University regulations may jeopardize your graduation.

Program Requirements

Before selecting courses, read this booklet carefully and:

- Read the descriptions of the courses.
- Review the requirements for your degree.

Choosing Courses and Sections

Before proceeding, check the COURSE SCHEDULE information in this booklet for:

- Course restrictions
- Need for department permission
- Pre- or corequisites

Step Two

Complete the DART Worksheet
(page 15)

Enter the following information for each course and alternate on the DART Worksheet:

- 4-digit Call Number (e.g., 0466)
- AN (if required)
- Course Abbreviation (e.g., ARST)
- Course Number (e.g., 325S)
- Section Number (e.g., 01)

List those classes for which there are no alternative sections first. Bring the completed worksheet to your advisor to obtain your PIN.

Step Three

Register

Dial DART from any Touchtone Telephone or go to the Terminal Room (215 Main Building)

(Bring your completed worksheet)

To enter DART dial 219-283-3003 from any touchtone telephone (Use 3003 from any dormitory telephone) (or come to the terminal room in the Registrar's Office)..

DART will allow you to add, drop, exchange, or audit a course, review your schedule, or change the number of credits of a variable credit course.

A voice (or terminal) response will guide you after each entry. Follow the instructions. It is not necessary to wait until the entire message is over. If you know what you want to do, go ahead and do it, even if the message is not finished.

Enter Dart

Enter your 9-digit student I.D. number (without dashes or spaces), *, your 4-digit PIN (obtained from your department), *, the Semester Code for the semester in which you are registering (e.g., Spring '93, 9 2 2), #.
E.g., 0 7 1 2 0 6 5 4 4 * 1 7 7 6 * 9 2 2 #.

To add a course

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. On the terminal, the return key [Return] is equivalent to the # on the telephone. If you are not already registered in the course, DART will assume you want to add the course. DART will confirm that the course has been added, e.g.,

(Student enters 0 4 6 6 #)

"You have requested Call Number 0466. If you wish to add this Call Number, press the number sign (#)".

(Student enters #)

(Note: DART responses are in italics)

"Art Studio 325S, section 01, has been added to your Fall 1992 schedule. Your total number of credits is 3. Please make a request".

To add a Course with an Authorization Number

Enter the 4-digit course Call number followed by * , the 6-digit Authorization number and #.
For example, 0 4 6 6 * 1 2 3 4 5 6 #.

To drop a Course

Enter the 4-digit course Call Number followed by #, e.g., 0 4 6 6 #. If you are already registered in the course, DART will assume you want to drop the course. DART will confirm that the course has been dropped e.g.,

(Student enters 0 4 6 6 #)

"You have requested Call Number 0466. If you wish to drop this course, press the number (#) sign".

(Student enters #)

"Art Studio 325S, section 01, has been dropped from your Fall 1992 schedule. Your total number of credits is 12. Please make a request"

To list a course

Enter 1 followed by #. The first course for which you are registered will be given (voice response on the telephone or a listing on the terminal). You can then dial 2 # to review your second course, 1 # to repeat the first course, or enter another number.

If you've registered for the course for credit and wish to change to audit, enter the 4-digit course Call number, then * 4 4 4 and #. For example, 0 4 6 6 * 4 4 4 #.

If you wish to change an audit course to credit, enter the 4-digit course Call number, * 5 5 5 and #. For example, 0 4 6 6 * 5 5 5 #.

To change the credits of a variable credit course

To change the number of credits of a variable credit course for which you have already registered, enter the 4-digit course Call number, * , the number of credits and #. For example, to change a variable credit course from 1 to 2 credits, enter 0 4 6 6 * 2 #.

To correct a mistake

Press *# and start again. On the terminal, use the backspace key (not the left arrow key).

To end the session

Just hang up. On the terminal, enter * B Y E followed by the return key.

To exchange a course

Enter the 4-digit course Call Number of the course you wish to drop (e.g., 0466), followed by the Call Number of the course you wish to add (e.g., 4500), followed by #, e.g., 0 4 6 6 4 5 0 0 #. DART will respond with the following message:

"This call number, 0466, will be dropped from your Spring 1993 schedule. This call number, 4500, will be added to your Spring 1993 schedule. If you wish to cancel, press 1, if you wish to change, press #".

If you pressed "#", and the new course is accessible to you, DART will respond with the following statement:

"This call number, 0466, has been dropped from your spring 1993 schedule. This call number, 4500, has been added to your Spring 1993 schedule."

ACADEMIC INFORMATION

STUDENT PHOTO I.D. CARD REGULATIONS

PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the university library.

The card is issued to you when you first enroll in the university and remains valid until you leave the university. You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared. You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-Dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).

REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Office of the Registrar if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. There will be a \$5.00 non-refundable charge for issuing these temporary cards.

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. There will be a \$15.00 charge for the new card. Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Office of the Registrar (239-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT DIRECTORY INFORMATION

The university has designated certain information contained in the education records of its students as Directory Information for purposes of the Family Educational Rights and Privacy Act (FERPA).

This includes: (1) full name, (2) address, (3) telephone number, (4) place of birth, (5) college, major or level, (6) participation in officially recognized activities and sports, (7) weight and height of members of athletic teams, (8) dates of attendance, (9) full or part-time status, (10) degrees and awards received, (11) the most recent previous educational agency or institution attended by the student, and (12) other similar information such as a photograph.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden its disclosure in writing.

Students wishing to prevent disclosure of the designated directory information must file written notification to the Office of the Registrar.

In the event that such written notification is not filed, the university assumes that the student does not object to the release of the directory information.

TRANSCRIPT REQUESTS

All transcript requests must be made in writing. You may fill out a **Transcript Request Form** in the Office of the Registrar or send a letter to:

Office of the Registrar
Transcript Clerk
215 Main Building
University of Notre Dame
Notre Dame, IN 46556

The request should include your full name, dates of attendance, student number, address of person, school or company where transcript is to be sent, your return address, and your signature. **A Transcript cannot be ordered by telephone.** You may send the request by FAX machine instead of mail, however the transcript itself will be mailed. Our FAX number is (219) 239-5872.

There is a charge of \$2.00 for each transcript. Requests for transcripts will not be honored if you are financially indebted to the university.

Transcripts are normally mailed directly to the person, school or company you indicated. Transcripts may also be picked up by the student in the Office of the Registrar 2 to 3 days after receipt of the request, but will be stamped **ISSUED TO**

STUDENT.

The university issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **evaluative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory** information without the student's stated permission as allowed under The Family Education Rights & Privacy Act.
