Courses in **bold** have been added since publication of the previous Schedule of Courses.

ALL NOTRE DAME STUDENTS

There are two important procedures of which you should be aware -- "*Enrollment*" and "*Registration*." These are two distinctly separate activities at Notre Dame. Please read the following statements.

ENROLLMENT:

All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration" (DARTing your classes). By completing the Enrollment Form on the day before classes begin or during the first seven class days, you inform the University Registrar of your intention to pursue the courses for which you have registered. **IF YOU COMPLETE THE ENROLLMENT FORM AFTER THE 7TH CLASS DAY YOU WILL OWE A \$25.00 LATE ENROLLMENT FEE.** If you fail to enroll by the 13th class day, it is assumed you are not in attendance and your class registrations will be dropped.

REGISTRATION:

Registration is the process by which students reserve space in classes. Students use the DART system to process their registration during the designated registration period each semester. The DART booklet, published each semester, contains all the procedures for using the registration system. All students who have registered for classes must also "enroll" during the designated enrollment period.

As a Notre Dame student, it is **your responsibility** to be aware of all rules, regulations and procedures which affect you. Sources for this information are the Du Lac : Student Life Policies and Procedures, the DART booklet, and the Bulletin of Information.

REGULATIONS AND INFORMATION

REGISTRATION INFORMATION

REGISTRATION TIMES:

DART will be available through January 21. After this date it is turned off and any changes to your schedule must be done on a form and signed by your dean. Check the academic calendar for specific course change deadlines.

Regular DART times are Monday through Thursday from 12 noon to 12 midnight, and from 12 noon on Friday through 4:00 p.m. on Sunday.

On Monday, January 11, new students may begin to register at 9:00 a.m. and then according to the regular DART times.

On Tuesday, January 12, continuing students may begin to register at 9:00 a.m. and then according to the regular DART times.

REGISTRATION BY PERMISSION:

Obtain authorization for each "Permission required" course from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Permission Required" course. The department offering the course will give you one "AN" for each course they are giving you permission to take. Use this number when registering for the course.

The directions for registering for a permission required course are on page 12. If your AN matches one of the unused "ANs" for that course, you will be allowed to register for the course.

Caution: the individual "AN" may only be used once. If you drop the course and then wish to re-add it you must obtain a new "AN".

COURSE AUDITS:

Graduate students only are permitted to audit courses.

All regulations and restrictions regarding access to courses remain in effect, whether or not the course is taken for audit or credit.

PASS/FAIL OPTION:

Juniors and Seniors only may take one pass/fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your dean is required.** The last day for all pass/fail option changes for the 1993 spring semester is January 21, 1993.

To use the pass/fail grading option, first register for the course. Second go to your dean's office to have the pass/fail processed. The approval of any pass/fail option is at your dean's discretion.

When your dean approves your pass/fail option, they will enter the information directly into the DART computer (you do not have to go to the Office of the Registrar). No notice of the pass/fail decision will be communicated to the instructor. At final grade time, the registrar will convert the grade reported by the instructor to an entry of pass or fail on your record. The pass/fail option is also available to Law School students, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

RESTRICTED ACCESS TO COURSES:

There are a number of restrictions a department might place on a course during registration. For example, courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, non-major, concentration, ROTC, etc.).

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section.

CLASS LOADS:

DART will not allow you to register for an overload course schedule without permission from your dean. The number of credits constituting an overload depends on your college or school. The maximum number of credits allowed is:

<u>COLLEGE</u>	<u>MAX CREDITS</u>
AL	17
BA (sophomores)	15
BA (all others)	18
EG	19
FY	17
SC	18
GB	16
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

Permission from your dean is required to register for more than the maximum number of credits. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired courses.

FULL/PART TIME STATUS:

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a part-time student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their dean before the start of the semester in which part-time status is desired. If such permission is granted, the dean must notify the Office of Student Accounts before the start of the semester.

ENROLLMENT:

You must enroll for each semester you wish to receive credit at the University of Notre Dame. This is the official notification that you are in attendance for that particular semester.

New students enroll Monday, January 11, 1993 in the Office of the Registrar. Continuing students enroll on Tuesday, January 12, 1993, between 8:30 a.m. and 3:15 p.m. (Freshman between 8:30 a.m. and 2:00 p.m.) at the JACC. After January 12, you must enroll at the Office of the Registrar.

To enroll, write and/or marksense on the Enrollment Form all the pertinent information requested. Sign the completed form and give it to an enrollment clerk, who will retain the top copy, and stamp and return to you the carbon copy. Retain your copy.

NOTE: Any student not enrolled by Thursday, January 21, will be removed from their courses. After this date, a late fee of \$25.00 will be charged to add the student back on to the class lists.

SAINT MARY'S COLLEGE COURSES

ADDING SAINT MARY'S COURSES

You may add a SMC course on the first day of classes, January 13. Notre Dame students must go to the SMC department offering the course, obtain an SMC add slip, and return it to the Notre Dame Office of the Registrar.

DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses through the first seven class days of the semester, January 21, 1993. After this date and through the last day to discontinue courses any drop must be done on a form and signed by your dean. Check the academic calendar for specific course change deadlines.

STUDENT I.D. CARD REGULATIONS

PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the university library.

The card is issued to you when you first enroll in the university and remains valid until you leave the university. You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared. You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-Dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).

REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Office of the Registrar if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. There will be a \$5.00 non-refundable charge for issuing these temporary cards.

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. There will be a \$15.00 charge for the new card. Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Office of the Registrar (631-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT --- DIRECTORY INFORMATION

The university has designated certain information contained in the education records of its students as Directory Information for purposes of the Family Educational Rights and Privacy Act (FERPA).

This includes: (1) full name, (2) address, (3) telephone number, (4) place of birth, (5) college, major or level, (6) participation in officially recognized activities and sports, (7) weight and height of members of athletic teams, (8) dates of attendance, (9) full or part-time status, (10) degrees and awards received, (11) the most recent previous educational agency or institution attended by the student, and (12) other similar information such as a photograph.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden its disclosure in writing.

Students wishing to prevent disclosure of the designated directory information must file written notification to the Office of the Registrar.

In the event that such written notification is not filed, the university assumes that the student does not object to the release of the directory information.

TRANSCRIPT REQUESTS

All transcript requests must be made in writing. You may fill out a **Transcript Request Form** in the Office of the Registrar or send a letter to:

Office of the Registrar
Transcript Clerk
215 Main Building
University of Notre Dame
Notre Dame, IN 46556

The request should include your full name, dates of attendance, student number, address of person, school or company where transcript is to be sent, your return address, and your signature. A transcript cannot be ordered by telephone. You may send the request by FAX machine instead of mail; however, the transcript itself will be mailed. Our FAX number is (219) 631-5872.

There is a charge of \$2.00 for each transcript. Requests for transcripts will not be honored if you are financially indebted to the University.

Transcripts are normally mailed directly to the person, school or company you indicated. Transcripts may also be picked up by the student in the Office of the Registrar 2 to 3 days after receipt of the request, but will be stamped **ISSUED TO STUDENT**.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **valuative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory information** without the student's stated permission as allowed under The Family Educational Rights & Privacy Act.
