Direct Access Registration by Telephone

ALL NOTRE DAME STUDENTS

There are two important procedures of which you should be aware -- "*Enrollment*" and "*Registration*." These are two distinctly separate activities at Notre Dame. Please read the following statements.

ENROLLMENT:

All students are required to complete an Enrollment Form each semester.

This is a separate procedure from "registration" (DARTing your classes). By completing the Enrollment Form on the day before classes begin or during the first seven class days, you inform the University Registrar of your intention to pursue the courses for which you have registered. IF YOU HAVE NOT COMPLETED THE ENROLLMENT FORM BY 5:00 P.M. ON THE 7TH CLASS DAY, YOUR CLASSES WILL BE DROPPED.

REGISTRATION:

Registration is the process by which students reserve space in classes. Students use the Direct Access Registration by Telephone (DART) system to process their registration during the designated registration period each semester. The DART booklet, published each semester, contains all the procedures for using the registration system. All students who have registered for classes must also "enroll" during the designated enrollment period.

DART PERIOD RESTRICTIONS:

The restriction of "*BA students only through 1st period*" means that only BA seniors may register for this course during the 1st period of DART, April 5-8. The course opens on the first day of the 2nd period to any junior (during their appointment time and following call back period) or any senior (during the call back hours).

The restriction of "*BA students only through 2nd period*" means that only BA seniors and BA juniors may register for this course during the 1st and 2nd period of DART, April 5-14, at their appointment time and following the call back hours. The course opens on the first day of the 3rd period to any sophomore (during their appointment time and following call back period) or any senior or junior (during call back hours).

The restriction of "*BA students only through 3rd period*" means that only BA seniors, BA juniors, and BA sophomores may register for this course during the 1st, 2nd, and 3rd period of DART, April 5-20, at their appointment time and following call back hours. The course opens to all seniors, juniors, and sophomores on April 21.

As a Notre Dame student, it is **your responsibility** to be aware of all rules, regulations and procedures which affect you. Sources for this information are the Du Lac : Student Life Policies and Procedures, the DART booklet, and the Bulletin of Information.

The *Registration Appointment Schedule* contains the time and date of your registration appointment. It also includes the personal data which the Registrar's Office currently has on record and lists the department or college location where you may obtain the Personal Identification Number (PIN) which you will need to gain access to DART.

Your appointment will be a 15 minute period during which you can dial **DART at 219-634-3003 (4-3003 from the Dorms)** to select courses or you may use the terminals in the Registrar's Office. If you get a busy signal when you call, keep trying. It should take less than five minutes to register for your courses if you prepare in advance. Your registration session will be cut off after 7.5 minutes. You may re-enter DART immediately if there is still time left within your 15 minute appointment. You can use the unrestricted call back periods, after your appointment has expired, during registration. After registration, you can use DART from Monday through Thursday from 12 noon to 12 midnight, and from 12 noon on Friday until 4:00 p.m. Sunday to select courses or ones that have been opened.

STUDENT ADVISING, PIN, & WORKSHEET

Your PIN, which you obtain in your department or college office, will be valid through midnight September 7, 1994.

A Registration Worksheet is shown on page 17.

The worksheet contains a section for your desired schedule and a space for alternative courses or sections. Bring the worksheet to your advisor when obtaining your PIN. Be sure to fill in the Call Number and the Authorization Number (if required) for each course you desire before calling DART.

After Registration, you will be sent a copy of the courses for which you registered. Duplicate copies will also be sent to your department and your Dean's Office. Course drops must be approved by your dean after the September 7, 1994 deadline.

REGISTRATION BY PERMISSION

Obtain authorization for each "Permission Required" course from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Course Requiring Permission to Register". Write the AN, obtained from the department offering the course, on your Registration Worksheet.

Directions for registering for a permission required course are on page 15. If your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

Note: The AN is good for one use only. If you drop a course that required an AN, a new AN will be necessary to add it again.

PASS/FAIL OPTION

Juniors and Seniors only may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your dean is required.** The last day for all Pass/Fail Option changes for the 1994 fall semester is September 7, 1994.

You must register for the course before you can choose the Pass/Fail Option. All Pass/Fail Option changes are processed at your Dean's Office.

When your dean approves your Pass/Fail Option (or change), they will enter the information directly into the DART computer (you will not have to come to the Registrar's Office). At final grade time, the registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your dean. The number of credits constituting an overload depends on your college or school. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired courses. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	16
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time** student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their dean before the start of the semester in which part-time status is desired. If such permission is granted, the dean must notify the Office of Student Accounts before the start of the semester.

RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. For example, courses can be reserved for departmental majors (or non-majors) or, e.g., ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, degree, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 22.

ENROLLMENT

You must enroll in person. Enrollment Day is Monday, August 29, 1994, between 8:30 a.m. and 3:15 p.m., at the Joyce ACC. After August 29, you must enroll at the Registrar's Office. The deadline to enroll is September 7, 1994.

To enroll, you complete an Enrollment Form: write and/or marksense all the information requested and sign the form. Give the completed form to an enrollment clerk.

Note: Students who do not enroll by Wednesday, September 7, will be removed from their courses.

COURSE AUDITS

Only graduate students are permitted to audit.

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

SAINT MARY'S COLLEGE COURSES

ADDING SAINT MARY'S COURSES

Notre Dame Students are permitted to register for Saint Mary's College courses if space permits and if the course prerequisites are met.

DART may be used to add selected COMM, DANC, EDUC, RLST, and THTR courses listed in this book.

To register for other SMC courses come to the Notre Dame Registrar's Office to fill out a Saint Mary's Intent form by April 15. Acceptance into SMC courses is not automatic. Saint Mary's College registration is April 18-20. If accepted, SMC course selections will appear on your schedule after April 20.

After April 20 no SMC courses may be added until the first day of class in the fall semester. To add SMC courses during the first seven days of classes, Notre Dame students must go to the SMC department offering the course, obtain an SMC add slip, and return it to the Notre Dame Office of the Registrar.

DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses at anytime through the first seven class days of the semester (until September 7, 1994). After this date and through the last day to discontinue courses, any drop must be done on a form and signed by your dean. Check the academic calendar for specific course change deadlines.

GENERAL INFORMATION

STUDENT I.D. CARD REGULATIONS

PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the university library.

The card is issued to you when you first enroll in the university and remains valid until you leave the university. **You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.**

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared. You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-Dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. **You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).**

REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Office of the Registrar if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. **There will be a \$5.00 non-refundable charge for issuing these temporary cards.**

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. **There will be a \$15.00 charge for the new card.** Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Office of the Registrar (631-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

TRANSCRIPT REQUESTS

All transcript requests must be made in writing. You may fill out a **Transcript Request Form** in the Office of the Registrar or send a letter to:

Office of the Registrar
Transcript Clerk
215 Main Building
University of Notre Dame

The request should include your full name, dates of attendance, student number, address of person, school or company where transcript is to be sent, your return address, and **your signature**. **A transcript cannot be ordered by telephone.** You may send the request by FAX machine instead of mail; however, the transcript itself will be mailed. Our FAX number is (219) 631-5872.

There is a charge of \$2.00 for each transcript. Requests for transcripts will not be honored if you are financially indebted to the University. Transcripts are normally mailed directly to the person, school or company you indicated. Transcripts may also be picked up by the student in the Office of the Registrar 2 to 3 days after receipt of the request, but will be stamped **ISSUED TO STUDENT**.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **evaluative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory information** without the student's stated permission as allowed under The Family Educational Rights & Privacy Act.

- 3) **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request.
- 4) **RIGHT TO COMPLAIN TO FERPA OFFICE:** You have the right to file a complaint with the Family Educational Rights and Privacy Act Office, Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202, concerning any alleged failure by this institution to comply with FERPA.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden its disclosure in writing.

Students wishing to prevent disclosure of the designated directory information must file written notification to this effect with the Registrar's Office.

In the event that such written notification is not filed, the University assumes that the student does not object to the release of the directory information.
