The *Registration Appointment Schedule* contains the time and date of your registration appointment. It also includes the personal data which the Registrar's Office currently has on record and lists the department or college location where you may obtain the Personal Identification Number (PIN) which you will need to gain access to DART.

Your appointment will be a 15 minute period during which you can dial **DART** at **219-634-3003 (3003 from the Dorms)** to select courses or you may use the terminals in the Registrar's Office. If you get a busy signal when you call, keep trying. It should take less than five minutes to register for your courses if you prepare in advance. Your registration session will be cut off after 7.5 minutes. You may re-enter DART immediately if there is still time left within your 15 minute appointment. You can use the unrestricted call back periods, after your appointment has expired, during registration. After registration, you can use DART from Monday through Thursday from 12 noon to 12 midnight, and from 12 noon on Friday until 4:00 p.m. Sunday to select courses or ones that have been opened.

## STUDENT ADVISING, PIN & WORKSHEET

Make an appointment with your department or college advisor to obtain your unique DART access PIN. A PIN will be generated for each student whom we expect to register and will be valid through January 20, 1994.

**A Registration Worksheet is shown on page 17.**

The worksheet contains a section for your desired schedule and a space for alternative courses or sections. Bring the worksheet to your advisor when obtaining your PIN. Be sure to fill in the Call Number and the Authorization Number (if required) for each course you desire before calling DART.

After Registration, you will be sent a copy of the courses for which you registered. Duplicate copies will also be sent to your department and your Dean's Office. Check with your advisor before making any changes to your schedule after Registration.

## REGISTRATION BY PERMISSION:

Obtain authorization for each "Permission required" course from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Permission Required" course. The department offering the course will give you one "AN" for each course they are giving you permission to take. Use this number when registering for the course.

The directions for registering for a permission required course are on page 12. If your AN matches one of the un-used "ANs" for that course, you will be allowed to register for the course.

**Caution: the individual "AN" may only be used once. If you drop the course and then wish to re-add it you must obtain a new "AN".**

## COURSE AUDITS:

Graduate students only are permitted to audit courses.

All regulations and restrictions regarding access to courses remain in effect, whether or not the course is taken for audit or credit.

## PASS/FAIL OPTION:

Juniors and Seniors only may take one pass/fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your dean is required.** The last day for all pass/fail option changes for the 1994 spring semester is January 20, 1994.

To use the pass/fail grading option, first register for the course. Second go to your dean's office to have the pass/fail processed. The approval of any pass/fail option is at your dean's discretion.

When your dean approves your pass/fail option, they will enter the information directly into the DART computer (you do not have to go to the Office of the Registrar). No notice of the pass/fail decision will be communicated to the instructor. At final grade time, the registrar will convert the grade reported by the instructor to an entry of pass or fail on your record.

The pass/fail option is also available to Law School students, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

## RESTRICTED ACCESS TO COURSES:

There are a number of restrictions a department might place on a course during registration. For example, courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, non-major, concentration, ROTC, etc.).

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section.

## CLASS LOADS:

DART will not allow you to register for an overload course/schedule without permission from your dean. The number of credits constituting an overload depends on your college or school. The maximum number of credits allowed is:

| <u>COLLEGE</u>  | <u>MAX CREDITS</u> |
|-----------------|--------------------|
| AL              | 17                 |
| BA (sophomores) | 15                 |
| BA (all others) | 18                 |
| EG              | 19                 |
| FY              | 17                 |
| SC              | 18                 |
| GB              | 16                 |
| GR              | 12                 |
| LW              | 17                 |

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

**Permission from your dean is required** to register for more than the maximum number of credits. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired courses.

## FULL/PART TIME STATUS:

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time** student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their dean before the start of the semester in which part-time status is desired. If such permission is granted, the dean must notify the Office of Student Accounts before the start of the semester.

## ENROLLMENT:

You must enroll for each semester you wish to receive credit at the University of Notre Dame. This is the official notification that you are in attendance for that particular semester.

New students enroll Monday, January 10, 1994 in the Office of the Registrar. Continuing students enroll on Tuesday, January 11, 1994, between 8:30 a.m. and 3:15 p.m. (Freshman between 8:30 a.m. and 2:00 p.m.) at the JACC. After January 11, you must enroll at the Office of the Registrar.

# SAINT MARY'S COLLEGE COURSES

## ADDING SAINT MARY'S COURSES

DART may be used to add selected EDUC, RLST, DANC, and THTR courses listed in this book.

Notre Dame students are permitted to register for other Saint Mary's College courses if space permits and if the course prerequisites are met.

To register for other SMC courses come to the Notre Dame Registrar's Office to fill out a *Saint Mary's Intent* form by November 23. Acceptance into SMC courses is not automatic. Saint Mary's College registration is November 29-30. If accepted, SMC course selections will appear on your schedule after December 1.

After November 30, no SMC courses may be added until the first day of class in the spring semester. To add SMC courses during the first seven days of classes, Notre Dame students must go to the SMC department offering the course, obtain an SMC add slip, and return it to the Notre Dame Office of the Registrar.

## DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses at anytime through the first seven class days of the semester, January 20, 1994. After this date and through the last day to discontinue courses any drop must be done on a form and signed by your dean. Check the academic calendar for specific course change deadlines.

A voice or terminal response will guide you after each entry. Follow the instructions. It is not necessary to wait for the end of the message. As soon as you know what you want to do, you may start. Each action sequence must end with a # (telephone) or the Return key (terminal).

If you make a mistake, you may erase your input by pressing \*# (telephone) or using the Backspace key (terminal).

# **GENERAL INFORMATION**

## STUDENT I.D. CARD REGULATIONS

### PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the university library.

The card is issued to you when you first enroll in the university and remains valid until you leave the university. You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

### TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared. You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

### TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-Dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).

### REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Office of the Registrar if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. There will be a \$5.00 non-refundable charge for issuing these temporary cards.

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. There will be a \$15.00 charge for the new card. Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Office of the Registrar (631-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.

## TRANSCRIPT REQUESTS

Transcripts may also be picked up by the student in the Office of the Registrar 2 to 3 days after receipt of the request, but will be stamped **ISSUED TO STUDENT**.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **valuative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party.
