ALL NOTRE DAME STUDENTS

There are two important procedures of which you should be aware -- "*Enrollment*" and "*Registration*." These are two distinctly separate activities at Notre Dame. Please read the following statements.

ENROLLMENT:

All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration" (DARTing your classes). By completing the Enrollment Form on the day before classes begin or during the first seven class days, you inform the University Registrar of your intention to pursue the courses for which you have registered. **IF YOU HAVE NOT COMPLETED THE ENROLLMENT FORM BY 5:00 P.M. ON THE 7TH CLASS DAY, YOUR CLASSES WILL BE DROPPED.**

REGISTRATION:

Registration is the process by which students reserve space in classes. Students use the Direct Access Registration by Telephone (DART) system to process their registration during the designated registration period each semester. The DART booklet, published each semester, contains all the procedures for using the registration system. All students who have registered for classes must also "enroll" during the designated enrollment period.

As a Notre Dame student, it is **your responsibility** to be aware of all rules, regulations and procedures which affect you. Sources for this information are the Du Lac : Student Life Policies and Procedures, the DART booklet, and the Bulletin of Information.

REGULATIONS AND INFORMATION

REGISTRATION INFORMATION

REGISTRATION TIMES:

DART will be available through January 20. After this date it is turned off and any deletes to your schedule must be done on a form and signed by your dean. Check the academic calendar for specific course change deadlines.

Regular DART times are Monday through Thursday from 8:00 a.m. to 12 midnight, and 8:00 a.m. on Friday through 4:00 p.m. on Sunday.

On Monday January 10, new graduate and transfer/readmitted undergraduate students may begin to register at 8:00 a.m. and then according to the regular DART times.

On Tuesday, January 11, continuing students may begin to register at 8:00 a.m. and then according to the regular DART times.

REGISTRATION BY PERMISSION

Obtain authorization for each "Permission Required" course from the department offering the course.

DART generates a sequence of authorization numbers (AN's) for each "Course Requiring Permission to Register". Write the AN, obtained from the department offering the course, on your Registration Worksheet.

Directions for registering for a permission required course are on page 15. If your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

Note: The AN is good for one use only. If you drop a course that required an AN, a new AN will be necessary to re-add it.

PASS/FAIL OPTION

Juniors and Seniors only may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your dean is required.** The last day for all Pass/Fail Option changes for the 1994 spring semester is January 20, 1994.

You must register for the course before you can choose the Pass/Fail Option. All Pass/Fail Option changes are processed at your Dean's Office.

When your dean approves your Pass/Fail Option (or change), they will enter the information directly into the DART computer (you will not have to come to the Registrar's Office). At final grade time, the registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your dean. The number of credits constituting an overload depends on your college or school. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired courses. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	16
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

Permission from your dean is required to register for more than the maximum number of credits. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired course.

FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time** student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their dean before the start of the semester in which part-time status is desired. If such permission is granted, the dean must notify the Office of Student Accounts before the start of the semester.

RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. For example, courses can be reserved for departmental majors (or non-majors) or, e.g., ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given

group (major, degree, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 22.

COURSE AUDITS

Only graduate students are permitted to audit.

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

SAINT MARY'S COLLEGE COURSES

ADDING SAINT MARY'S COURSES

Notre Dame students are permitted to register for Saint Mary's College courses if space permits and if the course prerequisites are met. Notre Dame students must go to the SMC department offering the course, obtain departmental signature of approval on an SMC add slip, and return it to the Notre Dame Registrar's Office.

You may add a SMC course through the first seven class days (until January 20, 1994).

DROPPING SAINT MARY'S COURSES

All SMC courses may be dropped using DART. As with Notre Dame courses, you may use DART to drop SMC courses through the first seven class days of the semester (until January 20, 1994).

ENROLLMENT

You must enroll for each semester you wish to receive credit at the University of Notre Dame. This is the official notification that you are in attendance for that particular semester.

New students enroll Monday, January 10, 1994 in the Office of the Registrar. Continuing students enroll on Tuesday, January 11, 1994, between 8:30 a.m. and 3:15 p.m. (Freshman between 8:30 a.m. and 2:00 p.m.) at the JACC.

After January 11, 1994, you must enroll in the Office of the Registrar.

To enroll, write and/or marksense on the Enrollment Form all the pertinent information requested. Sign the completed form and give it to an enrollment clerk.

NOTE: FOR STUDENTS NOT ENROLLED BY THURSDAY, JANUARY 20, ALL COURSES WILL BE DROPPED.

NEW STUDENTS

INTRODUCTION

This section applies to New Graduate Students and Undergraduate Transfer or Re-admitted Students.

A separate enrollment and course registration process has been arranged to ease your entry or return to the University of Notre Dame. You will receive academic counselling, select courses, and enroll the day before all continuing students enroll.

ORIENTATION

There will be an optional orientation meeting on Monday, January 10, 1994 in DeBartolo Room 101. New graduate students will meet from 8:30 a.m. to 9:00 a.m. and undergraduate students will meet from 9:30 a.m. to 10:00 a.m.

ACADEMIC ADVISING

Graduate students contact your department regarding any academic advising.

Undergraduates contact your college dean for preliminary advising.

ENROLLMENT

You must enroll for each semester you wish to receive credit at the University of Notre Dame. This is the official notification that you are in attendance for that particular semester.

Enrollment for "new students" will take place on January 10, 1994 at the Office of the Registrar (215 Main Building) between 9:00 a.m. and 4:30 p.m.

To enroll, write and/or marksense on the Enrollment Form all the pertinent information requested. Sign the completed form and give it to an enrollment clerk.

STUDENT I.D. CARD

Since you do not have a valid I.D. card, you will have an I.D. card photograph taken at the Office of the Registrar. You will be given temporary I.D. cards when you enroll. Follow the Student Photo I.D. Card Regulations located on page 19.

REGISTRATION FOR COURSES

You will receive your Personal Identification Number (PIN), to access the computerized registration system (DART), with your I.D. card packet at the time you enroll.

To register for classes you may use any touch tone telephone or the DART terminal room in the Office of the Registrar (215 Main Building) which will be reserved for your use on Monday, January 10, 1994 from 9:00 a.m. to 5:00 p.m. After this date you will be able to use the DART telephone or terminal system, to change or check your academic schedule, without an appointment through January 20, 1994.

The registration instructions are listed in the registration information section (pages 9-10).

DART WORKSHEET

This worksheet can be used for both telephone and terminal registration. Only a Touch Tone telephone can be used to make entries. Touch Tone telephones have a different tone for each button. Telephones that make no tone or the same tone for each button passed will not work. If you are using a terminal, ignore those instructions which deal exclusively with telephones.

A voice or terminal response will guide you after each entry. Follow the instructions. It is not necessary to wait for the end of the message. As soon as you know what you want to do, you may start. Each action sequence must end with a # (telephone) or the Return key (terminal).

If you make a mistake, you may erase your input by pressing *# (telephone) or using the Backspace key (terminal).

TO ENTER DART

Dial the DART telephone number: 219 - 634- 3003 (4-3003 from on-campus telephones).

GENERAL INFORMATION

STUDENT I.D. CARD REGULATIONS

PHOTO I.D. CARD

This laminated, multi-purpose card contains, in addition to your photograph, an embossed and printed name and student I.D. number. The back of the card contains a magnetically encoded strip which is used for charging meals in the dining halls, laundry services, check cashing and/or bookstore charges. A bar code strip is also located on the back for the use of the university library.

The card is issued to you when you first enroll in the university and remains valid until you leave the university. **You are responsible for the care and safekeeping of the card; there is a \$15.00 fee for its replacement.**

1. Keep the card in the plastic holder in which it was issued to protect it from damage and wear.
2. Protect the magnetically encoded information by keeping the card away from magnetic fields such as those generated by television sets, stereo speakers, bulk tape erasers, radio transmitters, personal computers, etc. These could erase the information encoded on the card.
3. If you clean the card, use only mild soap and warm water.

TEMPORARY VALI-DINE CARD

This is a non-photo laminated card which contains a magnetically coded strip on the back. It is issued to you to use while your photo I.D. card is being prepared. You must return this card in exchange for your permanent photo I.D. card or a \$10.00 fee will be charged.

TEMPORARY PAPER I.D. CARD

This is a non-photo card which contains printed student data. It is issued to you along with the temporary Vali-Dine card to use as your official Student Identification Card while your permanent photo I.D. card is being prepared. **You must return this card in exchange for your permanent I.D. card or a \$5.00 fee will be charged (if it is lost before the expiration date).**

REPLACEMENT OF LOST/STOLEN I.D. CARDS

Report to the Office of the Registrar if your I.D. card(s) has been lost or stolen. This is important because the lost or stolen card must be invalidated. You will be issued a temporary Vali-Dine card and a temporary paper I.D. Card which will be valid for up to two weeks. **There will be a \$5.00 non-refundable charge for issuing these temporary cards.**

You are strongly encouraged to make every effort to recover your missing I.D. card. If your I.D. card is not recovered within two weeks, a new photo I.D. card will be made. **There will be a \$15.00 charge for the new card.** Once a replacement photograph is made, no refund will be made even if the missing card is found.

If you find a lost I.D. card, please call the I.D. clerk in the Office of the Registrar (631-6488) who will make arrangements to retrieve the card. Please do not mail the card to us or to any other office.
